# The MAYOR'S CORNER

## “Building our Future...Celebrating our Past”

There's a lot to be celebrated in Live Oak this year! Daily, we do our very best to celebrate the wonderful residents that live and play in our community, but we also enjoy celebrating our businesses around town on their successes and longevity. In April, we joined students and J.I.S.D. administrators in celebrating Ed Franz Elementary during their 50th Anniversary. The day was filled with reminiscing, fun, laughter and celebrating with generations of principals, teachers, staff and alumni. Throughout the year or until supplies last, you can purchase a t-shirt with the commemorative 50th anniversary logo from the main office on campus. This celebration is just one of the many events planned throughout 2019 for the little school that adorns the corner of Welcome Drive and Old Spanish Trail. Thank you for allowing us to be a part of the momentous occasion!

Council and city officials also had the pleasure of joining Marc Cross and Mike Trompeter as well as the entire Jordan Ford family in celebration of the 100th anniversary making them the oldest Ford dealership in San Antonio. The event theme was “Building our Future... Celebrating our Past” with a fiesta vibe! With various cuisines from local restaurants, music, kiddie games, and giveaways as well as special presentations honoring Jordan Ford made by city, county and state officials. Everyone had a great time, and we wish the entire Jordan Ford family many more successful years of selling “Ford Tough” trucks to generations to come.

Finally, I sincerely hope that everyone will line the streets and parade route for this year's Memorial Day Parade, May 25th. The parade is a community tradition and will give us all an opportunity to honor the soldiers who sacrificed and gave their all for our country. You and your family mean so much to the community and your participation is appreciated. I would also like to congratulate the three returning members of Council that ran unopposed in the May election. Councilmembers Anthony Brooks, Aaron Dahl and Mendell Morgan all look forward in continuing their service to this community. As your Mayor, I am always available for your comments or questions at 210-792-7168. Remember, the best is yet to come!

# WOODCREST PARK

A photograph of a winding concrete path through a dense forest of green trees. The path curves from the foreground towards the background, disappearing into the woods. The trees are tall and thin, with a thick canopy of bright green leaves. The ground is covered in brown leaves and twigs. The overall scene is peaceful and natural.

## Jordan Ford Supports the Residential Knox Box Program

On behalf of the Live Oak Fire Department, we would like to express sincere gratitude to Jordan Ford for the generous donation and support towards the Residential Knox Box Program. With the help of the donation, firefighters were able to kick-off the program by purchasing twelve residential lock boxes. Through the program, the Knox Box is intended to provide Fire and Emergency Medical Services access to the residence in the event of an emergency where you are unable to open the door.

Jordan Ford representatives Marc Cross, Mike Trompeter and Scott Feldmeier visited the station in March to view the Knox Boxes after they were delivered. Jordan Ford has been serving our community for over thirty years and is proud to be a partner with Live Oak Fire in providing a device that possibly can save a life. City Manager Scott Wayman and Fire Chief Linc Surber would like to thank Mayor Pro-Tem Ed Cimics for his continued support of the Residential Knox Box program and facilitating the donation. For more information, contact the Live Oak Fire Chief Linc Surber at 210-653-9140, extension 2241.

## City Thanks Assistant City Manager for Service

Assistant City Manager Jordan Matney left the leadership of Live Oak to take a position with the city of New Braunfels on March 22nd. She was hired by the city more than seven and half years ago and was Live Oak's first female City Administrator. While serving in Live Oak, Jordan demonstrated outstanding leadership and played a significant role in one of the city's largest development projects with the Town Center and IKEA. She will be missed by staff, City Council and citizens.

Jordan will be joining the leadership team of New Braunfels as Assistant City Manager. She will lead over 800 city employees in a growing city with a population of approximately 79,000. City Staff, Council, Board Members, friends and family packed the City Council Chamber to bid her farewell with a "baseball" themed reception for one of Texas Rangers' biggest fans! We wish you much success!

# 2019 San Antonio Women's Hall of Fame Inductee

On March 23rd, Mayor Mary M. Dennis was one of fourteen influential women in San Antonio inducted into the San Antonio Women's Hall of Fame for 2019 at the Omni Colonnade Conference Center. Mayor Dennis was honored under the public service category for her unique achievement of being the first African American elected to Live Oak's Mayoral office and for her role in the recent development of the retail giant IKEA. The San Antonio Women's Hall of Fame was founded in 1984 by Governor Mark White proclaiming and dedicating a "Women in Texas Today" week to honor the Texan women who helped shape the state of Texas. The honorees chosen represent and reflect the full depth of the diversity of San Antonio, Texas. The women were all nominated by the community in fourteen different categories on the basis of values, activism, trailblazing, innovation and empowerment.

To celebrate the occasion, Live Oak City Council members Bob Tullgren, Mendell Morgan, Aaron Dahl, Anthony Brooks and Mayor Pro-Tem Ed Cimics along with City Administrators Scott Wayman and Jordan Matney were in attendance. Mayor Dennis' family members in attendance included her mother Mary Wyatt and daughter Christina Dennis. "My Mom always said to follow my dreams, no matter where it might take you," Mayor Dennis said. "So that's what I'm doing, serving my community while serving my God at the same time. I love Live Oak and wouldn't want to live anywhere else." Although Mayor Dennis serves in many positions throughout the region, her first commitment is always to the wonderful residents of Live Oak. Congratulations to all fourteen deserving women in this year's San Antonio Women's Hall of Fame.

*Congratulations!*

# May Is National Water Safety Month

National Water Safety Month is celebrated each year through educational programs in our community. This April, Recreation Coordinator Courtney Weese introduced an informative program promoting water-related safety tips to the community honoring Joshua Collingsworth.

Blake and Kathy Collingsworth created the Joshua Collingsworth Memorial Foundation after their own son Joshua passed away in a drowning incident. "Josh the Baby Otter", a book written by Blake, teaches children to always swim with a buddy and never to go around water unless they are with an adult. Josh the Baby Otter has traveled all over the country, into child care centers, preschools, kindergarten classrooms and aquatic facilities...and this April he made his way into a local elementary school here in Live Oak!

After hearing Joshua's story and meeting Blake and Kathy, Courtney felt an overwhelming need to share their foundation's mission and the story of "Josh the Baby Otter." Expanding upon the current aquatics program FISH (Families Incorporating Safe Habits), Courtney and a surprise guest visited Ed Franz Elementary School to spread the message of water safety. She read the story of Josh to the children, provided water safety tips, and distributed a copy of "Josh the Baby Otter" book to each of the students. By the end of the day, the students were able to recite the "Josh the Otter Water Safety Pledge." This life saving message for children is simple: To stay away from water unless accompanied by an adult.

In an effort to educate children and parents alike, this campaign will be incorporated into current aquatics programs here in Live Oak. Educational materials and drowning prevention resources will be visible at the pool, and integrated into our swim lessons. This, in combination with our Life Jacket Loaner Program will serve as a kick-off to National Water Safety Month and as a reminder of how we can keep our children safe around water activities.

For more information you can visit [www.joshtheotter.org](http://www.joshtheotter.org), [www.jcmfchildrenscharities.org](http://www.jcmfchildrenscharities.org) or contact Courtney at 210-653-9140 ext. 2235.

# JR. FISHING DAY

Saturday, June 1st, 7:00-11:00 a.m. Main Park Lakeside

Calling all Jr. Anglers! Dust off the rods and reels, it is Junior Fishing Day at the Live Oak Park Lakeside!

Children ages 13 and younger may join us for fishing on June 1st from 7:00-11:00 a.m. Live Oak residents will be granted FREE admission to this event (with official proof of residency), and non-residents will have a \$2 entry fee.

This fun-filled morning will grant children the opportunity to catch a few catfish and win a prize or giveaway. You are encouraged to bring your own fishing equipment however, children without a fishing rod may check one out on site on a first-come, first-served basis.

Adult supervision is required for young children however, adults may not fish until the event concludes. Since June 1, 2019 is National Fishing Day, a fishing license is not required for anyone on this day!

## My EyeLab

### Affordable Eye Care

My EyeLab announced its new location in Live Oak, conveniently located in the Forum next to IHOP at 8127 Agora Parkway. Regional Manager Tim Turner and General Manager Catherine Alford hosted the formal opening with a ribbon cutting ceremony on March 14th. The ceremony featured special guests, including their Account Manager Cynthia Vazquez, Tri-County Chamber of Commerce dignitaries, Mayor Pro-Tem Ed Cimics, City Administrators, and LOEDC Director Rachel Clark.

The dream of delivering easy, affordable eye care to all people began in 2006 with just two stores and 16 employees, one store located in Mishawaka, IN and the other in Dayton, OH. When Daniel Stanton started out in the optical industry in 2000, he had an opportunity to see first-hand the high

mark-up cost customers experienced when buying eye glasses, as well as their frustration with the process and length of time to receive the finished product. Daniel became certain there was a better way of delivering eye care. Driven by a passionate belief that seeing clearly is a critical part of a person's happiness and quality of life, he set out to build a new model that would redefine the eye care industry.

Daniel formed a partnership with the late Marco Musa, an eye care executive who shared Daniel's vision of redefining what was possible in the industry. Working directly with eyewear manufacturers, Daniel and Marco were able to provide exclusive, high-quality styles of frames so customers could stay fashionable and on trend without paying costly, marked-up prices. In 2008, the mission continued and expanded. Daniel was joined by Max Musa to grow the brands to over 100 locations nation-wide and e-commerce sites. Building on these achievements and pioneering new industry standards, their team of experts are ready to deliver a personalized and enhanced shopping experience to their customers. We welcome My EyeLab to the Live Oak community and look forward to their continued success!

## Alavie Interventional Pain Management

### Living Lives More Fully

Alavie Intervention Pain Management is proud to announce the completion of the newly renovated clinic located at 12702 Toepperwein, Ste. 104. Dr. & Mrs. Christian Samuelson hosted a ribbon cutting ceremony at the new location on March 13th. Drinks, food and dessert were offered to friends, family, City staff and Council, Tri-County Chamber dignitaries and members of the medical

community in attendance followed by a ceremonial ribbon cutting.

Now that the renovation dust has settled, Dr. Christian Samuelson and his staff are able to bring their patients, and the entire northeast region his extensive and diverse experience in treating acute and chronic pain in a more spacious patient area. Through a variety of interventional methods and cutting-edge techniques, Dr. Samuelson will continue to work with his patients to find solutions that don't rely strictly on medications. He strives to provide his patients with the freedom to work, play and enjoy their lives more fully. Congratulations Dr. Samuelson!

## New Balance

### 13 Years Running Strong

This is an exciting time for Live Oak's New Balance in the Forum. We are very proud to announce that they've just celebrated their 13th anniversary with a small gathering on March 8th. New Balance has been promoting a healthy and positive change through movement to communities throughout the world for 100 years and are still "running strong." Mayor Mary Dennis, Live Oak Administrators and staff were proud to be a part of the celebration for a company that is constantly doing "good" for the community through volunteering, sponsorships, grants and the work they do through the New Balance Foundation. New Balance's celebration activities ended with a ceremonial ribbon cutting along with light refreshments for their guests.

Congratulations Brent Sossamon, Brian James and the entire New Balance team! Here's to making the next 13 even better in Live Oak. Stop by and visit the friendly New Balance associates and get your perfect fitting athletic footwear, apparel and accessories for all ages at 8211 Agora Parkway. You can see their new arrivals, best sellers and their featured collections of athletic footwear by visiting [www.newbalance.com](http://www.newbalance.com).

# And the Award Goes To....

Wednesday, July 10th, Live Oak Economic Development Corporation will host the Annual Business Appreciation luncheon at the Hilton Garden Inn and Live Oak Conference Center located at 8101 Pat Booker Road at 11:30a-1:00 p.m. Every year, the LOEDC hosts a luncheon to thank our local businesses for their dedication to our city's present and future economic growth.

This year's luncheon will provide Live Oak businesses VIPs with an opportunity to network with other local businesses and meet with city officials. A complimentary lunch will be provided by EDC along with entertainment. Special business and sponsorship awards will be awarded during the event to businesses for their contributions and partnerships in the Live Oak community. Please bring your business cards to share with others at the networking table located in the pre-event space! Be watching for your VIP invitation through the mail.

## National Police Week

The week of May 12 – 18, 2019 has been dedicated as National Police Week. National Police Week was established by a joint resolution of Congress in 1962 in order to give recognition to those law enforcement officers who have lost their lives in the line of duty while ensuring the safety and protection of those they serve. The Live Oak Police Department will join again this year with the Selma Police Department, and we invite you to join us in a ceremony that will be held on May 15th at 6:00 PM at the Live Oak Criminal Justice Center located at 8022 Shin Oak Dr.

## Keeping Your Car Safe from Thieves

Vehicle burglaries are crimes of opportunity. They can occur anywhere at any time. They happen at your residences, places of employment, retail areas and restaurants. Here are some important reminders to keep your property safe and secure. Always remember to lock your vehicle. Even at home your vehicle should be secured. When parking your vehicle at your home use the garage. If a garage is not available, make sure you have adequate lighting in your driveway. When you park your vehicle at work, in retail or other areas, again lock your doors. If it is night time, try to find a well-lit area to park your vehicle. As stated earlier, vehicle burglaries are crimes of opportunity. Remove all valuables from your vehicle no matter where it is parked. This includes minor things such as sunglasses, radar detectors and loose change. Never leave wallets, purses, electronics or tools in visible locations. Use the trunk of your vehicle to store items that you can not carry with you. If that is not an option, at least make sure items are covered and not visible by someone looking in your windows.

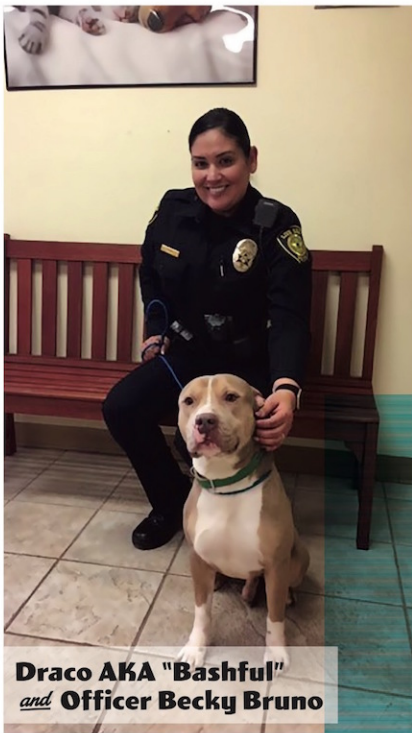

Always be aware of your surroundings in your neighborhood. Many times criminals are able to blend in. If you see someone acting suspicious, do not hesitate to call police. You may help catch a potential criminal.

### Strange activities to look for:

- Pulling door handles
- Looking in windows
- Odd clothing for the time of year (e.g., long coats or gloves being worn in the summer)
- Nervous looking (looking all around, moving slowly or quickly)
- Checking alarms by bumping or hitting the windows or bumpers for sensitivity

**Draco AKA "Bashful"**  
*and* **Officer Becky Bruno**

## Draco AKA "Bashful" Quite the Actor

Draco, also known as "Bashful", came to our facility on September 9th, 2018 when we received a call from a resident about an injured dog under the overpass of IH 35 near Toepperwein. When Animal Control Officers Derrick and Carolyn arrived at the location, it appeared they were too late and the animal was thought to be deceased. As they exited the truck to make a closer assessment, the startled dog shot up and took off toward the hospital parking garage. ACO Carolyn ran after the scared animal and caught him shortly after.

Once Draco was transported back to the facility, we were able to assess him and noticed he favored his front left paw. Fearing Draco's paw was injured, staff conducted a thorough assessment revealing that he wasn't injured at all! It was an act! The moment anyone took him out of his kennel, he'd prance and run as if nothing was wrong, but as soon as he was returned to his kennel he would once again garner attention by limping on his paw. Staff had him examined by the vet to make certain he did not have a fractured paw or any type of hidden injury. It was soon determined that nothing was wrong with his leg or paw but Draco unfortunately tested positive for heartworms. He put on quite a show for everyone at the vet clinic...limping, not limping, limping and then not limping. Draco was turning out to be an "award winning" dog actor and had a charming character! After six long months in our facility, the dramatic actor completed his heartworm treatments thanks to the help of the Humane Society of Live Oak.

Draco, once very "bashful" and "frightened," would find a new home with one of Live Oak's finest, Police Officer Becky Bruno. There, Draco will live out the rest of his acting career with a loving family that enjoys watching him flourish.

## Peanut Butter & Jelly Best Friends Forever...Priceless

Even though these two pups came to us on separate days and have no relation to each other, their moments together are priceless. Jelly, a Chihuahua mix, came into the facility as a stray from the Leafy Hollow area on January 15th. Peanut Butter, a Golden Retriever mix, came from a Converse rescue on the 23rd of January. They were transported to the vet for a routine visit and while there, we noticed the two pups acted as if they were long lost "best friends." The bond between the two was strong and very endearing. They were perfect together just like "Peanut Butter" and "Jelly." Eventually, Peanut Butter and Jelly would be separated during the adoption process by only one day apart. They would each go to two different fur-ever homes. Peanut Butter began his new life in his fur-ever home on January 30th 2019, and Jelly on February 1st 2019. We hope Peanut Butter and Jelly will one day meet up at the park to have a play date.

## Code Corner

### Meet Billy McLain

Meet Billy McLain, Live Oak's newest member of the Development Services team. He was hired as the second Code Compliance Officer making a team of two for the City. Billy is an eighth-generation native Texan and was born in Austin but grew up in Bexar County. He spent four years as a police officer before joining the Austin Fire Department where he served 27 years as a firefighter. Billy and his beautiful wife live in the local area and have two grown children who also live in or near Live Oak. Billy has settled into his new position quite quickly and looks forward to meeting each of you in the future during his routine routes around the City.

## Weeds Have Sprung!

Live Oak continues to grow with new houses being constructed and new businesses opening frequently. We welcome all of our new neighbors and hope they enjoy our little city the way we do on a daily basis.

Now that the weather is starting to head toward more frequent rain and intervals of sunshine, the grass and weeds will want to make the most of the sunlight. As we all know, the grass and weeds grow quickly in South Texas so we all need to be prepared to maintain our yards to keep our city clean and attractive.

Code Compliance works hard every day to remind residents of the grass ordinance, which says grass and weeds cannot exceed 12" and must not hang over the curbs. One issue that arises frequently is grass and weed clippings being blown into the streets. The clippings create driving hazards for bicyclists and cars, as well as clog our storm drains. If you have a lawn service for your

house, please ensure that clippings are removed as part of your agreement to avoid a visit from Code Compliance.

Another issue that often arises seems to be whether a person who rents a house is responsible for the grass and weeds. The answer is YES! The person occupying the house is responsible for maintaining the house and the lawn. Nice weather ahead also brings an increase in people parking their cars on the lawn for washing and other activities. Although convenient and a way to conserve some water, it is illegal to park vehicles on the grass. All tires must be parked on cement or pavement at all times to avoid a receiving a courtesy notice. Parking on the grass is not only damaging to the grass, but fluids leaked from vehicles can find their way into groundwater, which is precious in South Texas.

## Clothes Dryer Safety

Recently, a fire occurred within a natural gas fueled clothes dryer. The investigation revealed that the fire occurred when a lint deposit located within the dryer ignited. The lint deposit had built-up over time within a plastic duct at the inlet of a blower within the dryer. Doing laundry is most likely a part of your everyday routine. But did you know how important taking care of your clothes dryer is to the safety of your home? With a few simple safety tips you can help prevent a clothes dryer fire.

Have your dryer installed and serviced by a professional.

Do NOT use the dryer without a lint filter.

Make sure you clean the lint filter before and after each load of laundry. Remove lint that has collected around the drum.

Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.

Make sure the air exhaust vent pipe is not restricted and the outdoor vent flap will open when the dryer is operating.

Once a year, or more often if you notice that it is taking longer than normal for your clothes to dry, clean lint out of the vent pipe or have a dryer lint removal service do it for you.

Keep dryers in good working order. Gas dryers should be inspected by a qualified professional to make sure that the gas line and connection are intact and free of leaks.

Make sure the correct plug and outlet are used and the machine is connected properly. **NEVER use an extension cord to run a large household appliance.**

Follow the manufacturer's operating instructions and don't overload your dryer.

Turn the dryer off if you leave home or when you go to bed.

Remember, having working smoke detectors installed in your home saves lives. Please call us at 210 653-9140 ext. 2379 to take advantage of our program offering free smoke detectors for Live Oak residents.

# Don't Get BURNED

FIREWORKS ARE BANNED

## Stop the Pop

The Live Oak Fire Department would like to remind everyone that Live Oak has an ordinance in effect that makes fireworks illegal to discharge or even have in your possession within the city limits. The city will continue to enforce compliance with state law and local city ordinance, in respect to fireworks and fire and safety regulations this July 4th.

If a minor is caught with fireworks, the parent or guardian will receive the fine even if they were unaware of the minor's possession and/or usage. Citizens should report all complaints, regarding the illegal use of fireworks, directly to the LOPD (non-emergency line) at 210-653-0033.

If the citizen believes that there may be a fire and/or medical emergency related to the use of fireworks, he/she should dial 9-1-1 and request the LOFD.

# Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

STRENGTHEN ECONOMY

LOWER TAXES

BUILDS COMMUNITY

SUPPORT

**Strengthen the Economy and LOWER TAXES** – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

**Build Community** – City sales taxes funneled to the general fund allow additional police forces, improvements to streets and infrastructure and upkeep of our wonderful park system. In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

**They Support YOU** – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say “thank you!”

**Don't forget to support your local business and Shop Live Oak!**
