The Mayor's Corner

60th Diamond Anniversary Celebration

Dear Residents,

In the New Year, as we look back at the birth of the city and where it's headed, we realize how much the Live Oak community has to be thankful for. In 2020, Live Oak will celebrate its 60 years of growth, successes and prosperity for the future. Live Oak was incorporated in April 1960, giving the 316 residents a voice and the ability to make decisions about what happens in their city. The primary benefit of formally incorporating was to include a local government body, zoning regulations and to provide local fire and police services. Our rich history is just one of the many things that makes Live Oak such a unique and special place. Incorporation became official by the canvassing of the 33 votes that were cast along with the swearing in of the first Live Oak City Council which included Claude Ferrell, Elton Friesenhahn, Wilbur Friesenhahn, W.H. Brantley, Mathew Friesenhahn, Melvin Mayor, Richard Keller and Clarence Albrecht as the City's first mayor. Their first order of business in March of 1960 would be to outline the boundaries of the city, as surveyed by Robert Moffett and soon after, the City Council would conduct its first official meeting in November 1960.

Fast-forwarding to today, the City has transformed into the bustling economic retail hub of the northeast region, providing jobs, education systems and an environment for enterprise to flourish, while providing safe and beautiful neighborhoods for families to call Live Oak "their town" to raise generations of children.

As a token to commemorate the 60th Diamond anniversary, the City Council approved the purchase of challenge coins displaying the city logo as well as a special 60th anniversary logo with the Live Oak tree in a raised silhouette. The coins will be available throughout the year until supplies last. If you see a council member, stop and ask them for one of the collector coins. During this year's Shin Dig on Shin Oak, the City is preparing a special ceremony to further celebrate our successes and we hope you join us throughout the year as we look back and into the future in honor of this momentous occasion.

The City of Live Oak is proud to celebrate this anniversary with you. Cheers to "YOUR TOWN" and to the next 60 years! I am always available for your comments or questions at 210-792-7168, and remember the best is yet to come! Happy New Year.

Congratulations - 2019 Property Technician of the Year - Joe Ortega

Congratulations to Joe Ortega, Property & Evidence Technician with the Live Oak Police Department for taking the covenant title of the "2019 Property Technician of the Year!" In October, during the

Texas Association of Property and Evidence Inventory Technicians Conference (TAPEIT) held in San Marcos, Joe was selected as "Top Property Technician" over 400 Property and Evidence Technicians candidates across the State of Texas. Jaguar Football League - Celebrating Homecoming

Huge thanks to the artistic talents of Luis Puentes from Converse for painting the Jaguar logo on the Live Oak football field located at the Main Park in celebration of the Jaguar's Homecoming game played on October 26th. With the assistance of Adrian Ruiz and Doug Sirianni, the trio was able to complete the logo design within 3 days. As proud parents, the Puentes, Sirianni and Ruiz Families donate their spare time watching their sons and the Jaguar athletes practice and play football. Mr. and Mrs. Luis Puentes have been a part of the league along with their son since 2015. A sincere thanks goes to the Jaguar Football Association, athletes, coaching staff, cheerleaders and dedicated parents for making the Jaguar TYFA league so successful. We would also like to provide photo credits to Chris Holcomb for the pictures captured with a drone flyover. Great shot Chris!

Bangkok's Holiday Feast

Bangkok Cuisine prepared a buffet style meal for our staff members and hand-delivered the Thai dishes to every city building. Owner, Varaluck Kaowsan and the Bangkok staff has been feeding city employees the week before Thanksgiving since she opened Bangkok Cuisine restaurant in 2002. Everyone enjoyed Bangkok's famous golden wings, Thai fried rice, and stir-fried mixed vegetables. A sincere "thank you" and Happy New Year to Varaluck, her family and the wonderful Bangkok staff for the generous gift during the holiday season. If you haven't tried Bangkok Cuisine, we hope you begin your New Year off with a taste of Thai at Live Oak's Bangkok Cuisine located at 8214 Pat Booker Road.

Halloween Family Fun Night

What a great time at this year's Halloween Family Night! Thanks to the hundreds of families that came out to enjoy the carnival rides, midway games, food & candy, and music all within a safe environment. A special thanks to LOCAP for keeping the hot dogs hot, the volunteers for keeping the games exciting and the Kristen Grafft and the One Love Crew from Raising Canes for manning various mid-way game stations. You guys are now a staple with all City events and Parks and Recreation appreciate your community support. Congratulations to all 21 winners of the costume contest! You guys looked fantastic!

Arbor Day - Healthy Trees, Healthy Lives

This year we celebrated Arbor Day in Live Oak with a "Healthy Trees, Healthy Lives" themed program at Crestview Elementary. Dr. Jeanette Ball, Judson I.S.D. Superintendent read "THE GIVING TREE" to students, and Smokey the Bear joined our favorite forester Mark Kroeze from the Texas A&M Forest Service. We appreciate the Live Oak Village Garden Club and the Board members of the Live Oak Tree Care Board for educating the community on the importance of trees in our community, and for Crestview Elementary for planning a fantastic Arbor Day celebration for all to enjoy!

IKEA - Honoring those who serve

In honor and celebration of our Veterans, IKEA Live Oak served a complimentary meal at their restaurant to Veterans and Active Duty Military servicemen and women from November 9th through November 11th. IKEA used this platform to join the nation in the recognition of those who serve and protect our great nation. We thank IKEA for being a great corporate partner with the City and for always giving back to the community and to our military families. The City looks forward to celebrating IKEA's 1 year anniversary at the end of February!

Scarecrow Invasion Fun - Crestview Elementary Garden Club

We would like to thank Principal Linda Cruz, 5th Grade teacher Mrs. Ivonne Robinson, and the students from Crestview Elementary Garden Club for their participation in this year's Scarecrow Invasion. Even though the group could not compete with the businesses, they were awarded for their scarecrow design with an "Honorable Mention" trophy. Councilman Ed Cimics, EDC Board President Joe Painter and Executive Assistant Donna Lowder were on hand to present the Garden Club with the trophy. We thank the entire faculty and staff for what they do for the children in the community. At Crestview Elementary they're not only educating and building our future but they are growing our future together as well!

Community Shred Day Wrap-up

A sincere "thank you" goes out to Elizabeth Kuhlmann and Randolph Brooks Federal Credit Union, Councilman Ed Cimics, Mayor Mary Dennis and the firefighters from B-Shift for making the Community Shred Day run smoothly. We are happy to report this service saved 123 trees, 22 cubic yards of landfill from being utilized and 15 barrels of oil. The total paper recycled during the event was 14,500 pounds or 7 tons and since we began the shred program in 2011, you have recycled 234,091 pounds of paper products. Congratulations everyone!

LOFD Holiday Dinner Basket Program - Giving Back

We are very grateful for everyone who contributed to this year's community-wide food drive for the 2019 Holiday Dinner Baskets. In conjunction with the Community Shred Day, generous donors were able to drop off canned goods and non-perishables during their trip through the shred drop-off line or by making a stop at the Fire Department throughout the month of November. With the community's generosity, the Fire Department was able to collect and assemble 47 complete Holiday Dinner Baskets including the turkeys for local families in need. A total of 211 people were able to enjoy a warm delicious holiday meal. This year's focus was on families with children and providing all the things they would need to prepare a holiday meal. We hope the meals provided the families with a joyous and memorable holiday and something to smile about.

DUNKIN'

Santa's Down Home Christmas

Santa pictures with the children and wonderful holiday craft activities were a huge hit thanks to all the volunteers at this year's Down Home Christmas. We especially want to thank Daniella Howell and team from Dunkin Donuts for partnering with the city once again. The Dunkin team provided hot chocolate and tasty treats for everyone visiting Santa, which certainly helped make the season bright!

THANK YOU'S & NEWS

Blue Santa - The Giving Spirit

Police officers have a unique position to see the struggles families endure throughout the year, so with the partnership of local businesses and organizations to collect toys and monetary donations, LOPD was able to assist over 30 families in our city with the Blue Santa initiative. The gifts and generous donations made by participants changed the lives of those 60 plus children during the Christmas holidays. We would like to send a big "shout out" to Target at the Forum for assisting us during the donation and toy drive. LOPD is extremely proud of the community and were honored that you were able to work alongside us in making the Blue Santa program a success.

AT HOME and Hilton Garden Inn Partner Up

We would like to thank Max Kitten from At Home and Rachel Clark from the Hilton Garden Inn for collaborating together to decorate the Hilton's spacious lobby for the holidays. The festive décor not only pleased the out of town visitors that couldn't be home for Christmas but provided the Hilton staff with a beautiful cozy atmosphere. The City would also like to thank AT HOME for always keeping the City Hall Lobby with Christmas cheer throughout the months of December. The Live Oak residents and guests loved the beautiful display of crystals and silver ornaments which set the tone for the yearlong celebration in honor of the City's 60th Diamond Anniversary. THANK YOU AT HOME!

12 Days of Christmas Giveaway

Thanks to all our Facebook fans for playing along with us during the 12 Days of Christmas Giveaway and to the wonderful businesses that sponsored each day of the 12 Days! Wow, what an amazing year in Parks and Recreation! The city has continued to provide the citizens of Live Oak and the surrounding communities with exceptional park amenities and special event programming. While we continue to look forward to new and exciting things, it's also satisfying to see all that has been accomplished over the past year.

February is always a special time in Parks and Recreation as we host the popular Daddy Daughter Dance. In 2019 the ladies were invited "Under the Big Top" for a most magical experience with their dads. It was all smiles as they danced the night away...when they weren't too busy enjoying treats such as the popcorn bar and ice cream cups!

During the spring the rain held off just long enough for everyone to hunt their eggs and get a photo with the bunny during the annual Easter Egg Scramble. Since we were trying to beat the incoming storm, it may go down in history as the fastest egg hunt we've ever had! Hotter temperatures were just around the corner in May as we kicked off summer with the Memorial Day Parade and opening of the pool season. Countless children learned how to swim during the many sessions of swim lessons, and the pool was booked solid for private pool party celebrations. Staff held a special water safety program at Ed Franz Elementary where students learned the importance of never swimming alone and how to properly wear a life jacket. Parks and Recreation continues the important mission of

preventing drowning and expanding the F.I.S.H. (Families Incorporating Safe Habits) program in the community.

The Live Oak Main Park remains a prime destination for families and individuals alike to visit. Texas Parks and Wildlife stocked the lake numerous times this year providing ample fishing opportunities to anglers of all ages. As always, Junior Fishing Day drew a large crowd where kids could compete for the biggest catch and parents could practice their skills at untangling fishing line! Whether you went home with dinner or not everyone enjoyed this fun event.

Summer swiftly turned into the beginning of fall and the fun just kept coming! The young and young at heart enjoyed the music of The Spazmatics at the Shindig on Shin Oak, and with the cooperation of the weather it turned out to be a rockin' event! There was no shortage of activities in October as the city hosted both Movie in the Park and Halloween Family Night. Both events saw large participation from the community and reminded us all of why Live Oak is such a great place to raise a family.

Before you knew it, the holiday season was here once again. Every year children in Live Oak write

their letters to Santa and eagerly await his response in the mail. This year many enjoyed seeing the big man in person during the Down Home Christmas event and with Shin Oak decorated with thousands of lights you couldn't help but be in the holiday spirit. We look forward to an even better year in 2020 and welcome the opportunity to serve you! We are always happy to answer questions about our programs and facilities and love knowing that our community is enjoying the amazing amenities and services that Live Oak has to offer. Please feel free to contact Parks and Recreation with any questions you may have.

Dr. John Gives Back with Healing Hands Community Outreach

Live Oak Periodontics and Dental Implants

Dr. John Aniemeke, D.D.S., M.S., known as Dr. John to his staff and patients, has dedicated his entire life to making a mark on the world by making a difference in people's lives by providing compassionate dental periodontal care. Dr. John graduated cum laude from the University Of Texas Health Science Center in San Antonio, Texas in May of 2009 with a Doctorate of Dental Surgery (D.D.S.) and received the Quintessence Academic Achievement award as an outstanding student in periodontics in 2012.

After graduating, Dr. John opened a private practice of Periodontics and Dental Implants in Live Oak located at 12702 Toepperwein, Ste. 132 in the I35 Plaza Shopping Center where he has been serving our community since September 26th, 2012. His practice provides periodontal disease treatments and dental implants along with a true commitment to teaching preventative practices. He is happily married to his wife Chidinma, who is a board-certified Family Medicine Physician and assistant professor at the UT Health San Antonio School of Medicine and they have three beautiful children, daughter Miriam, and two sons Timothy and Emmanuel.

Throughout the year, you will find Dr. John performing

“full smile makeovers’ through major dental procedures such as oral extractions, dental implants, and cleanings while still finding time to attend his children’s school events and programs. With a busy schedule, being present and making time for his family is a challenge, but he manages to keep them all happy and never feeling neglected.

Dr. John isn’t just your average periodontist. Along with his wife, he serves as the lead pastor and co-founder of Bethel Covenant Assembly of God (BCAG) in San Antonio, Texas. In 2013, Dr. Aniemeke and his wife were both ordained as Pastors of Bethel Covenant Assembly of God with only nine foundation members. Under

their leadership, the ministry of BCAG has grown to over 650 members. In 2017, Dr. John was ordained as a Reverend by the national executive board leadership of the Assemblies of God Church USA. His lifelong dream had been to combine his passion to serve God, his family and to the people of the community with his profession. This path was no longer just a dream but a dream come true for Dr. John. Because of Dr. John, the church is able to offer many ministries to assist all walks of life with counseling groups, men and women’s ministries, children’s ministry, leadership training, and even a choir ministry. “The vision of the church is to raise and guide a generation of believers while bringing change on earth for people of all backgrounds,” said Dr. John.

As a part of Dr. John’s dream, missions and service to the people, his office hosted its first annual Healing Hands Community Outreach that provided services, advice, and dental health supplies to members of the community.

The outreach efforts were able to provide over \$32,000 of free dental care and dental procedures to patients at no charge. The total amount of the outreach efforts saved patients was a combined total of approximately \$57,000!

To put it simply, the efforts of Dr. John and his team members have made a great impact to our community. If a

practice runs well, delivers exceptional care to its patients, and is dedicated to giving back, the community in turn will keep coming back for the care they deserve, and will refer the practice to their family and friends. That is the motto of Live Oak Periodontics and Implant Dentistry.

We would like to thank Dr. Aniemeke, his family, and his work family for providing high quality and affordable periodontal care and giving their all in growing a successful practice so close to home. At Live Oak Periodontics and Implant Dentistry, Dr. Aniemeke and his team look forward to seeing you, and your smile, soon! For more information on their services, contact the staff of Live Oak Periodontics and Implant Dentistry at 210-209-7119 or stop by the office at 12702 Toepperwein Rd. Ste. 132 next to Biff Buzby’s.

Keeping Live Oak Beautiful Incentive!

The hottest incentive package that the city's Economic Development Corporation can offer your business is the Visual Improvements Program or as we refer to it...VIP!

What is the VIP and how can it benefit your business?

Whether you are a large or small anchor, new or old business, we are here to say the VIP program can help you! Since 2011, the broad purpose of the Visual Improvement Program has been to promote a positive city image reflecting order, harmony, and pride, thereby strengthening the economic stability in Live Oak business areas. The foremost purpose is to encourage the visual improvement and enhancement of facades, business signage, landscaping, and parking lots for commercial, professional, and retail in Live Oak.

If your business building exterior or signage needs a little TLC, then this program is for you! The funding available is based on a reimbursement up to a maximum of \$5,000 per business. The cumulative amount awarded by the Live Oak Economic Development Corporation (LOEDC) shall not exceed \$100,000 for each fiscal year of this program.

Are you eligible? If you are either the property owner or the business owner (tenant), you are eligible for the funding. Property owners with multiple buildings or tenants with multiple operating locations may be limited to one building or location per funding cycle. Once you submit your application and related documents to city staff describing the proposed work including three bids, the application will be presented before the EDC Board. Should the project and contractor receive approval from the Board; the EDC will pass a Resolution for payment of up to \$5,000 to the contractor of your choice. Should the project exceed \$5,000, the applicant is responsible for satisfying the remaining cost incurred on behalf of the project. The LOEDC will issue a deposit check not to exceed \$2,500 to the contractor prior to project commencement. Once the project is completed and has passed all permitting and inspection requirements by the city's Building Official, the balance of grant monies will be paid to the contractor.

All VIP projects awarded grant monies must start construction within 90 days of being awarded funding; all projects must be completed within one year of being awarded. Work that qualifies for reimbursement includes improvements to the exterior of buildings such as painting, cleaning, tuck pointing, façade and window repair/replacement, doorways, lighting, new signage, window tinting, replacement awnings, permanent landscaping, parking lots and rear access renovations.

No strings attached, apply today! That is how simple Live Oak can assist your BUSINESS! For more information about this incentive program, contact Donna Lowder at 210-653-9140, extension 2219 or you may download the application from our website under the Economic Development/Incentives tab at www.liveoaktx.net.

Arby's Now Serving "Crave-able" Foods in Live Oak

After two decades of operating and co-branding, Hardee's and Carl's Jr. has parted ways. Hardee's and Carl's Jr. made their split public in 2018. Now, Carl's Jr.'s parent company CKE Restaurants has sold to the Atlanta-based firm that owns Arby's, Corner Bakery, Cinnabon, Scholtzsky's, Wingstop and Massage Envy just to name a few of their business products from their retail portfolio.

Contractors at the former Carl's Jr., located at 12802 IH 35N, began the Arby's transformation in September 2019 and it is now completed and ready to serve the community. The transformation included a new wood tone and brick façade along with a more modern interior re-do for a pleasant dining experience that fast-food lovers will appreciate. The new Live Oak Arby's is serving their famous Petite Filet Steak sandwiches along with signature Market Fresh salads, wraps and a plethora of "crave-able" sandwich options. Stop by and try their new S'mores Shake, Cinnamuffin or any of their great sandwiches! Welcome to Live Oak Arby's!

Live Oak Is Upgrading To An interactive meter reading system

Live Oak Utilities Department will soon be upgrading your current meter to an interactive meter reading system in March or April, 2020. The new meters are made by Master Meter and will provide customers with the option of immediate access and a data snapshot through a Customer Portal.

This new Master Meter system provides a radio read communication network which interfaces between the utility department and the residential and business customers. Additional options this system will provide are:

- More accurate meter readings
- Gallons per minute & flow indicators
- Easy to read digital display
- On demand consumption information that is available in 15 minute increments

As we move closer to rolling out the metering system, the utilities department will be providing our customers more information.

If you have questions or comments about the implementation of the new meters, please contact Jim Neely at 210-653-9140, extension 2220.

Christmas Tree-Cycle and drop off site.

Each year, Live Oak offers a Christmas tree-cycle and drop off site across from the Live Oak Clubhouse at **7901 Shin Oak Dr. until Friday, January 24th**. The mountain of trees that are accumulated during the month of January will eventually be placed into the city's wood chipper and re-purposed into mulch, free to the public. Please remember to remove all tinsel, decorations and metal stands before you drop off your tree. For more information, contact Cathi Piotrowski at cpiotrowski@liveoaktx.net.

ARE YOU HUNGRY FOR TROUT?

Check the electronic marquees in January for Rainbow Trout arrival dates! Texas Parks and Wildlife will be stocking the pond with trout on three separate occasions. The pond is adjacent to the lake; enter from the City Park Lake access at Lone Shadow/Lazy Forest Drive. Corn kernels, garlic cheese, and salmon eggs make great bait.

REMEMBER, appropriate license and bag limits apply!

WATER CONSERVATION TIPS

Water we save is water we don't have to buy so it's important we do everything we can to decrease our water consumption. Plumbing fixture retrofits, water saver landscapes, and improved habits are all things that will help us make low-water use a part of every person's everyday life.

- Repair leaking faucets, nozzles, pipes, and toilets.
- Only water your lawn and garden in the evening or early morning.
- Use mulch around plants and shrubs to help retain moisture.
- Sweep clippings and leaves instead of using the hose.

It's easy to dispose of Household Hazardous Waste!

Do you have old paint, pesticides, herbicides, batteries or fluorescent light bulbs? Electronic waste such as computers, monitors and laptops that need to be disposed of? Live Oak residents can call 1-800-HHW-PKUP (1-800-449-7587).

Legislative Update

The 86th Texas Legislature enacted what is being called the Porch Pirate Law. House Bill 37 was signed into law by Governor Abbott and went into effect September 1, 2019. This law changes the way mail theft is handled. In the past mail theft was dealt with as all other thefts, by the value of the loss. This new law changes things. Mail to include packages delivered to your door by private carriers that is stolen could now become a felony. Any person caught stealing mail or packages from less than 10 addressees will be charged with a class A misdemeanor. Anyone caught stealing from more than 10 addressees, or stealing a package containing personal identifying information or from a disabled or elderly person is facing a felony theft charge. Hopefully this will deter some would be thieves from stealing packages from your front porch. While this may deter some, don't count on this to keep your deliveries safe.

Here are some tips to help

- Protect your mail and package deliveries.
- Know your mail delivery schedule and check your mailbox daily.
- When you order online remember what the delivery method is and the expected delivery date.
- Track your packages. If available request a delivery notification.
- If you will not be home during an expected delivery have a trusted neighbor or friend get your package for you.

Remember, the Live Oak Police Department is your community partner.

Together we can make a difference.

Coffee with Cops

The Live Oak Police Department will be holding its quarterly Coffee with Cops event on Tuesday, January 14, 2020 from 8:30a - 10:00a. The event will be hosted by Nicha's Restaurant located at 7929 Pat Booker Road. Come by at meet your Live Oak Police Officers, discuss concerns you have, or just stop by and visit and enjoy a cup of coffee or breakfast.

We look forward to meeting and talking with you.

WELCOME 2020 with a New Year's Resolution to support YOUR LOCAL Humane Society of Live Oak.

The Humane Society of Live Oak does NOT have a shelter of our own. We work to raise funds for animal medical & equipment needs in excess of the regular budget items at our Live Oak Animal Care and Control Shelter located between Public Works and the Fire Station on Shin Oak Drive. We also offer funding for the Live Oak community for animal medical funding assistance in special circumstances and as funds permit, on a case by case basis. The Humane Society of Live Oak also helps with socialization and animal care at the Live Oak ACC shelter on a volunteer basis (must be over 18 years of age).

We need your support – please put us on your calendar in March and October for 2020 and join us the 2nd Monday each month for our meetings.

In order for us to meet demands for funding needs the HSLO often holds events and fundraisers like K9 Veteran's Day each March 13th for the past 3 years which honors all area Police K9 and Military Working Dogs and their handlers and "Pet Pawloozza," each October for the past 6 years. Funds raised at these events along with donations received at event tables like SAMS club and our donation boxes at various restaurants and business locations in Live Oak, goes to fund our various program needs. Watch our face book page for exact dates and event locations.

HSLO is a small group of well-intended animal welfare advocates and educators.

We need your support and most importantly we need your participation to keep making a difference.

Please consider joining the HSLO with a membership donation of \$12 per year for individuals or a family. That's \$1 a month to help us make a difference.

Your membership donation and all contributions are tax deductible, we are a 501 (c) 3.

WINTER IS HERE! And so are the newspapers...

Code Compliance

Just a friendly reminder from the City of Live Oak Code Enforcement office to pick up those weekly newspapers that show up on your lawn, driveway, etc. Section 302.1 of the Code of Ordinances does not allow the accumulation of newspapers on an individual property.

Live Oak has reached out to the newspaper agency and, unfortunately, there has been no resolution to the distribution of the newspapers, so we are counting on you, our residents, to work with us to ensure the newspapers don't get out of hand. Trust us, we don't want to hand out notices for newspapers as much as you don't want to receive them.

Tip: To avoid newspapers building up on your property, make it a point when exiting your vehicle or checking your mail to scan your yard or driveway for any stray papers and dispose of them properly.

From your friendly neighborhood Code Compliance office, thank you for your help and have a great New Year!

**Caring for the community,
one patient and one person at a time.**

Almost 35 years ago, Methodist Hospital | Northeast began as a small, full-service community hospital. Today, it offers comprehensive healthcare services and a compassionate, caring environment to one of the fastest growing areas of the country. The hospital has undergone significant renovations to upgrade and expand the facility and its services to better meet the needs of northeast Bexar, Guadalupe and Comal Counties. From advanced cardiovascular care and neurosurgery to orthopedic and joint replacement surgeries, our goal is to continue providing an exceptional and family-oriented healthcare experience.

Since 1995 when Methodist Hospital | Northeast became a campus of Methodist Hospital, our mission has been "Serving humanity to honor God." We take this pledge and our faith-based perspective very seriously as we prepare for the next 35 years. We're here to care for this community - one patient and one person at a time.
