MAYOR'S CORNER

Dear Residents,

As we commence into the spring months of 2016, we have already paved the way to an exciting year for our City. We are pleased to announce that our Economic Development Corporation recently secured water rights for future developments and secured the funds for the Disc Golf course expansion project to meet the minimum ADA requirements. Also, we are excited to report that the Hilton Garden Inn and Convention Center opened its doors in February showing off its inviting beautiful décor. Welcome Hilton!

We are very happy to welcome seven new employees to our city staff within the Fire Department, Police Department, Police Communications and Public Works. The Fire Department welcomed Joseph W. Rodriguez as our newest Firefighter/EMT assigned to A-Shift. Police Chief Ken Evans hired Officer Jeremy Ruiz who took his Oath of Office, September 30, 2015. The Police Chief also welcomed Angelic Collas and Ashlyn Miranda as dispatchers in the Live Oak Police Communication Center which serves multiple municipal fire and police districts. Public Works Director Mark Wagster introduced Paul Wernli, Public Works Superintendent, Joshua Hughes-Parks, Maintenance worker and Robert Scott as a Utilities

Maintenance worker. Congratulations and thank you all for choosing to be part of our wonderful staff at Live Oak.

It is my pleasure to recognize Mitchell Doherty as Employee of the Quarter for October - December 2015. Mitch has been employed with Live Oak since September 2001. He has gone above and beyond his normal duties by taking on the additional responsibilities and work assignments to perform as a liaison between the street contractor and the residents of Bridlewood during their street project. Thank you Mitch for your dedication you have shown on your job which makes you deserving of this award and a valuable asset to our city staff.

In closing, I am committed as your Mayor to ensure the safety and well-being of all our citizens. Together we will continue to move our city in a positive direction. You are always welcome to reach out to me or any of your Council members for any comments, concerns or questions. You can reach me at 210-792-7168. Remember, the best is yet to come to our great city.

*Mayor Mary M. Dennis
& Council*

VISIT OUR ACORN ROOM

We are happy to announce that the Acorn Room has been a huge success since it opened last fall. This "community friendly" room is located off the lobby of City Hall. It has served as a more relaxed environment for staff to meet with citizens and for citizens to access the internet on our free WiFi and public computer, Monday through Friday, 8a-5p. You can also find two book cases filled with books to accommodate a "Take a Book, Leave a Book" book swap for any citizen sponsored by the Seniors of Live Oak. Please feel free to stop by our Acorn room and check out the latest additions. If you are interested in donating books, please coordinate the donations through SOLO, Roger Knisley at 210-655-4566.

ADOPT A PET

UPDATE FROM THE LIVE OAK ANIMAL CONTROL OFFICER

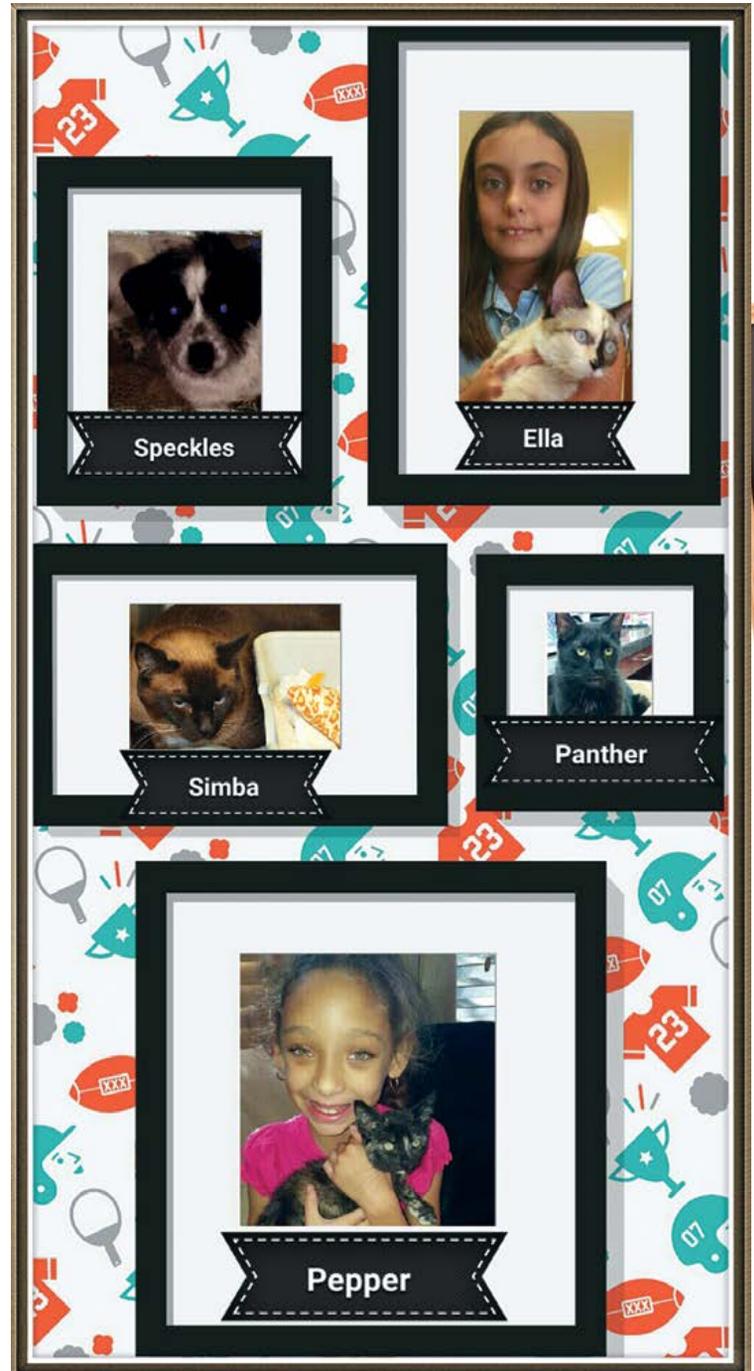

DERRICK FRANCIS

Ella along with her mother and siblings, were abandoned behind Laser Legends with no shelter and a bag of fire ant infested cat food. Ella and her family were rescued and brought back to our facility where they were provided plenty of food, water, and proper shelter. The whole family was placed on a month hold and treated for mange. When Ella and her family appeared to be finally ready for adoption, staff discovered they all had ringworms. They were placed on hold for an additional three weeks. Luckily for Ella she already had a forever home waiting for her when she fully recovered. On November 18th she was finally able to join her new owners to begin her new adventure.

Pepper was a stray kitten found in Converse that was brought to our facility. Pepper had a minor case of upper respiratory infection, but with the help of Mrs. Hilda Lafredo (Homes for Pets); she quickly recovered and was given a clean bill of health. Staff received an email from a person who had seen her profile on one of the pet rescue sites. The family had a daughter that wished for a kitten as a pet for a very long time. Pepper was adopted by the family and she was given to the daughter for her birthday right before the Christmas holiday. Pepper was the best birthday gift ever!

Simba was owner surrendered after his owner had a medical emergency and had no one to care for him. Simba was scared and depressed. Over time, Simba warmed up to staff and really became known as a “chatter box.” After having Simba for several weeks, we were able to contact his original owner and he agreed that it would be in Simba’s best interest for staff to find him a new forever home. With the help of Mrs. Hilda Lafredo (Homes for Pets), a home was found for Simba in Houston. Simba now has a brother named “Bear.” The two of them are inseparable.

Panther has been our shelter cat for almost a year. He was also owner surrendered to us from a resident of San Antonio, who due to circumstances was unable to keep him. Panther loved to walk around the facility rooms and the offices. He also loved playing hide and go-seek in Animal Control officer Derrick’s desk drawer. We are happy to report that Panther has finally been adopted by a family that also adopted a new sister cat. He’s living the life with his new family on the fifth floor of an apartment complex overlooking a golf course.

Speckles was brought in by a resident found in Universal City near the Meadows apartments. She wasn’t at our facility for long before she was seen on our Facebook page and on Adopt-a-pet from a resident of Marion. We received an email from a lady who was interested in seeing Speckles and spending some time with her. After spending time with Speckles, she explained to us that Speckles reminded her of her dog that had recently passed away. She shared pictures of her dog and the likeness was uncanny. Speckles now enjoys her life in Marion, and is treated like a princess.

After all of these heartwarming stories, who wouldn't love a new furry creature hanging around the house? Our staff at the Live Oak Animal Care and Control Facility would like to encourage you to look into pet adoption. At our facility, there are many sweet, loving animals that need a place to call home. We have all sizes and breeds available and we are sure you will find the perfect pet for you and your family. Not only is the process for adoption easy and convenient, you will be providing a loving and safe home for an animal that so desperately deserves one.

Many people believe that pets in shelters are "undesirable." In reality, most shelter pets are victims of family tragedies, unfortunate circumstances or irresponsible owners. The current economic downturn has dramatically increased the number of people who, through no fault of their own, have found themselves with no alternative but to turn over a beloved pet to a shelter.

At the Live Oak Animal Care and Control facility, there are many precious dogs and cats just waiting for someone to take them home. Every animal is screened for specific temperaments and behaviors to ensure each family finds the right pet for their lifestyles. Our pet adoption fee is \$60.00, which includes canine or feline booster vaccinations, heartworm tests, rabies vaccinations, deworming exams, spay or neuter and a microchip.

Stop by the Animal Care and Control facility at 8001 Shin Oak Drive (between the Fire Station and the Public Works building); we are certain you will find a place in your heart and in your home for a sweet dog or cat. We are open Monday thru Friday from 9:00 AM – 5:00 PM and Saturday from 10:00 AM – 2:00 PM, closed on Sunday. For more information, please call 210-653-9140, ext. 228. For additional ease in finding adoptable pets, please visit the City of Live Oak's Facebook page where we feature lost and adoptable pets each Friday.

THINGS TO KNOW ABOUT PET LICENSES

If you already own a cat or dog over three months of age and reside in Live Oak, please remember to obtain a pet license from us. For pets with proof of their annual rabies vaccination, the fee is \$5.00 for non-sterilized dogs and cats. Licenses for spayed or neutered dogs and cats are only \$2.00. If your pet is spayed/neutered and micro-chipped, the license is FREE! Licensing not only aids the Animal Care and Control staff with the pet population in Live Oak, but it allows for easy and quick reuniting of families with their lost pet.

Contact our facility if you need further information regarding pet licensing at 210-653-9140, ext. 228.

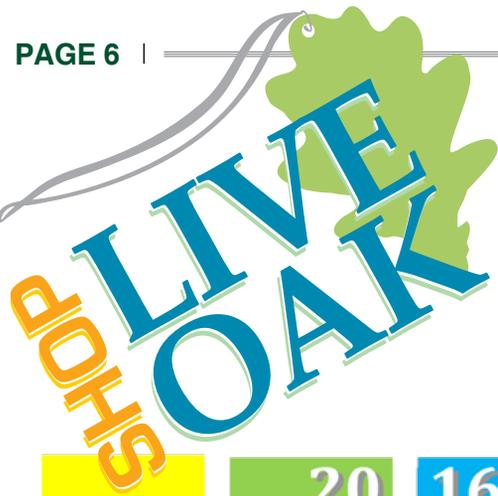

LIVE OAK HUMANE SOCIETY

First, we want to say a big "thank you" to last year's officers and membership for an outstanding 2015. The Humane Society of Live Oak elected their new 2016 officers at the January 11, 2016 general meeting. President: Shirley Linares, Vice-President: Gabby Williams, Secretary: Stephani Cottrell and Treasurer: Sandee Donnelly. We are looking forward to another great year helping our furry friends and Live Oak Animal Control. We would also like to welcome Mayor Mary Dennis as one of our newest members.

Do you enjoy being around animals? How about stopping by Animal Control to socialize with our "Furry Friends." You can take them for a walk or just play with them in an outdoor fenced area. They would love to have your company.

The Humane Society is open to the public and surrounding areas. Hope to see you at our next meetings scheduled for March 14th and April 11th from 6:30 pm to 7:30 pm.

From the Office of Economic & Community Development

Live Oak Fix-Up Day is Back! Volunteers Needed for Zone 5!

We are pleased to announce our fifth Live Oak Fix-Up Day, will be held on Saturday, April 9th from 7:30am until noon! Last year's zone 3 and 4 were both a huge success largely due to so many wonderful volunteers. Eleven Live Oak residents were assisted in cleaning up their property, lawns, and painting bringing them back into compliance from their pending code violations. The program was designed to help some of our residents that aren't able to keep up with home improvements or lawn care due to medical or financial concerns. This is where you can help! We are asking you to volunteer to help clean up your community and help out neighbors who are in need.

The clean-up scheduled for April 9th will include physical activities such as painting, lifting debris, moving and cleaning miscellaneous areas of the property. Please bring gloves and any supplies you may have that you wish to use. Donations of paint brushes and rollers, scrapers and paint are currently being accepted as well as gift cards to Home Depot or Lowes to assist with the efforts. All volunteers must sign the Volunteer/Community Service Release form on the next page.

This fantastic program is held twice a year to help as many folks as we can one zone at a time. Help us make Fix-Up Day even bigger and better than ever before. A volunteer like you is what makes Live Oak such a wonderful community to call "Home!" For more information on the program or to volunteer, please contact Jordan Matney at 210-653-9140, ext. 286 or Donna Lowder at extension 219. We will provide Community Service/Service Learning hours for those eligible. Volunteers will meet no later than 7:30 a.m. at City Hall, 8001 Shin Oak, Live Oak, TX the morning of April 9th. See you there!

Making Our Neighborhoods a Better Place

Code Compliance: John Dalton • Toby Hamilton

Trash, Debris and High Grass

Even during the fall months, our grass and weeds still grow in South Texas. We ask that property owners continue to keep their grass below the twelve (12) inches in height established by our ordinance. Property owners and tenants are responsible for keeping their lawns mowed to the edge of the roadway. Those in violation who fail to comply by a courtesy notice request to mow are subject to having their property mowed by a City-hired contractor and the cost passed on to the owner. To help keep our city beautiful, we have hired a second code compliance officer. We have included both code compliance officers' contact information in the last paragraph of this article.

In addition, please help us keep the trash and debris that is accumulated in public view to a minimum. The fines for these violations are substantial and we ask that you do your part to make Live Oak a more beautiful city. These citations can be issued daily for the violation and the dollar amounts can be high. Homeowners can contact the Utility Department at 210-653-9140, extension 225 for dates on brush and bulk item pick-up.

Fences

Many times, fencing on a property is the most noticeable structure in terms of appearance. Our City's zoning regulations require property owners to maintain their fences in a reasonably plumb and structurally sound condition. Our Code Compliance department requires owners to remove, repair, or replace fences identified in violation. Each structural and decorative member of a fence shall be free of deterioration and be compatible in size, material and appearance with the remainder of the fence. A fence that has deteriorated to a condition that it is likely to fall shall be repaired or replaced. Fences shall not be externally braced in lieu of replacing or repairing posts, columns or other structural members. Residential fences may not exceed 6 feet unless they border a commercially zoned property.

Reporting Complaints

Any complaints regarding code violations (including graffiti) can be reported after normal business hours by calling 210-653-0033 or by contacting Code Compliance at 210-653-9140, extension 386, Monday through Friday, 8am to 5pm. You may also inform us of violations by email at jdalton@liveoaktx.net or thamilton@liveoaktx.net. Issues are typically inspected the same day.

LOCAP

Live Oak Citizens
Assisting Police

LOCAP Officers for 2016 were installed in December and assumed office in January. They are (L-R): President - Marie Atkinson; Vice President - Carol Hoke; Secretary - Ed Cimics; and Treasurer - Terry Fitzgerald. Shown with the new Board is Live Oak Police

liason Sgt. Jesse Barela. Term of office is for one year. All four Board members are long-term LOCAP members.

Members of LOCAP, Live Oak Police Department officers, and the 2016 LOCAP Board, met recently to present the Live Oak Police Department with first aid kits to be carried in each police vehicle. On hand were Assistant Chief Dan Pue, Patrol Lt. Matt Malone, Patrol Officer Chester Johnson and LOCAP members Janita Woodall, Judy Garcia, Thurman Hood, Carol Hoke, Ed Cimics, Terry Fitzgerald and Marie Atkinson. Each kit contains basic first aid supplies such as band-aids, ointment, gauze, tape, tweezers and plastic gloves.

LOCAP held several successful fundraisers throughout the past year, and is hopeful to continue the trend again this year. The proceeds from all fundraisers go to support the Live Oak Police Department by assisting with the purchase of items not in their budget. In the past, we have assisted with the purchase of an armored vest for Canine Bolo, a ceremonial bugle, and other items or supplies as requested by the Department.

Membership in LOCAP is made up of Citizen's Police Academy alumni. The 12-week Citizens' Police Academy course is typically offered once a year in the spring. It's free, it's informative, and it's fun!

For information on how you can come out and have fun with LOCAP and help out the Live Oak Police Department, contact them at 210-945-1700.

NEWS BRIEFS

POLLUTION PREVENTION

As the days are getting warmer and inviting us outside to clean and beautify our lawns, remember not to over fertilize your yard, follow the manufacturers' directions for the size of your lawn. When you over fertilize, those chemicals run out of your yard and into the street. The streets are built to carry water down to the drainage channel, which leads the tainted water to the lake at the park. The chemicals are toxic to the wildlife that uses the lake to drink from. Please, be responsible with chemicals!

WATER CONSERVATION

Thank you for watering responsibly and making an important contribution to the water conservation effort! For the latest rules and current watering stage, please go to www.liveoaktx.net.

FREE TOILET PROGRAM

Apply for your free toilet today.

Are you a single family residential customer living in the City of Live Oak (not apartments or business)?

Are you on the Live Oak Water System, not SAWS (San Antonio Water System)?

Was your home built prior to 1992?

Cheaper isn't always better! Watch out for Contractor Scammers!

Choosing the right Contractor will be a decision you'll either regret or significantly appreciate. There is nothing in between! But how do you go about choosing the right contractors for your project?

You've come to the right place for information, because our department requires all contractors that work in our city to obtain a contractor's license and permit before they perform any work on your property. We verify the state issued licenses and liability insurance per city ordinance before they can obtain a Contractor's license. Before a contractor begins work on your property, ask to see their Live Oak permit, contractor's license, and obtain a signed copy of your contract. The 2016 City license has a green background with the city logo and indicates an expiration date of 02/01/2017. If a contractor tells you that a permit is not required for your particular job, you may always contact our office for verification.

Still, here are some tips to assist you in choosing the right Contractor:

- **Tip #1 - Ask to see their license card and Permit.** Although the City of Live Oak also checks, you can double check at <http://www.license.state.tx.us/LicenseSearch/>
- **Tip #2 - Check references.** Feedback posted for or against the company is an excellent place to start, but most businesses will also have written references if you request them. You may also check with the Better Business Bureau.
- **Tip #3 - Check your gut.** For most people, a good electrician, plumber or mechanical contractor becomes your choice of contractors for life. Good contractors you enjoy dealing with or trust is as essential as a good bank.
- **Tip #4 - Check their range of experience.** Although most contractors are experienced in a wide range of work, some companies can specialize and lose contact with the current technology over time. This wouldn't be relevant in most common jobs like window, siding, etc., but in some types of work it's worth confirming the business's experience is appropriate for your job.

Remember, unlicensed tradespeople operate with lower overheads (no license fees or insurance costs) so they may often charge less than a qualified tradesperson but could cost you more in the long run. If you would like to verify current licenses with the state or with the City of Live Oak, please contact our office at 210-653-9140, extension 244 or you may visit our website for a list of registered contractors at any time.
