the MAYOR'S corner

Dear Residents,

Throughout our city's history, volunteers have donated countless hours to improve the quality of life in our community. The success of any community is built upon the actions of individuals committed to serving their community with the desire to make it a better place to live, work and play. I would like to introduce to you one of our citizens that best fits this description, Joyce Smith. Ms. Smith demonstrates such exemplary service to the community and to the San Antonio area. Ms. Smith has made Live Oak her home for eleven years and owned her own business as a medical transcriber for our local physicians until she retired in 2010. In April 2001, she began participating in the "New Beginnings" program with New Hope United Methodist Church, when a friend contacted her asking for assistance. She would be helping a young lady and her daughter that had been recently in a protective shelter. Upon her leaving the shelter, the young lady had been given pieces of donated furniture but had no means of transporting the furniture to her new apartment and Ms. Smith would be making the delivery of the donated furniture. While visiting the shelter, Ms. Smith learned many of the women leaving the shelter needed assistance obtaining furniture such as beds, sofas, tables and chairs to begin their new lives.

Ms. Smith began canvassing the neighborhoods during bulk pick up and would find many of the furniture items. The furniture found during her searches would sometimes require minor repairs so she began to refurbish the pieces that needed a little TLC. She spent countless hours with her talent and compassion to those in need by staining, rebuilding, picking up and delivering the finished pieces to the families. In April 2013, she left New Hope, but continued her ministry calling it "His Helping Hand Ministry." In January 2015, the ministry was picked up as an outreach program by Grace Community. Ms. Smith has been able to help 975 families over the years and Live Oak is fortunate to have her as a hardworking citizen and volunteer in our neighborhood. I thank her for giving unselfishly to our community. If you would like to donate or receive additional information, please contact Joyce Smith at 210-590-6695. Remember you are always welcome to reach out to me or any of your Council members for any comments, concerns or questions. You may reach me at 210-792-7168. The best is yet to come to our great city and have a safe Memorial Day!

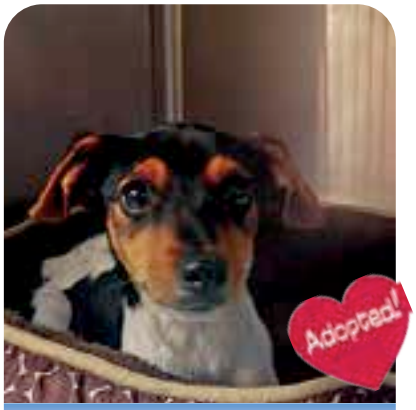
ANIMAL CARE and control

Update

Midnight: Midnight was at our facility for almost 4 months before she found her forever home. Midnight now enjoys the finer things in life with her new home in Schertz.

Matilda: Originally known as Darla but renamed Matilda while in our care, was surrendered by her previous owner because she was an escape artist and they couldn't seem to keep her secured in the backyard. The owner decided to give her up in hopes that she would find a new home with a larger yard for her to run around in. As luck would have it, Matilda would finally get the open yard she was searching for. Matilda was adopted into her forever home by a wonderful family and now plays with other dogs in a big yard with chickens next door.



Beauty: This beautiful little girl was left in a crate in the middle of the night in front of Groomingdales. Thanks to our Animal Control Officers, she was rescued from the rainy cold weather and brought indoors where she received love, food, and a nice warm bed. Beauty found her forever home when she was adopted by a couple and their dog.

Live Oak Animal Care and Control

After all of these heartwarming stories, who wouldn't love a new furry creature hanging around the house? Our staff at the Live Oak Animal Care and Control Facility would like to encourage you to look into pet adoption. At our facility, there are many sweet, loving animals that need a place to call home. We have all sizes and breeds available and we are sure you will find the perfect pet for you and your family. Not only is the process for adoption easy and convenient, you will be providing a loving and safe home for an animal that so desperately deserves one. Many people believe that pets in shelters are "undesirable." In reality, most shelter pets are victims of family tragedies, unfortunate circumstances or irresponsible owners. The current economic downturn has dramatically increased the number of people who, through no fault of their own, have found themselves with no alternative but to turn over a beloved pet to a shelter.

At the Live Oak Animal Care and Control facility, there are many precious dogs and cats just waiting for someone to take them home. Every animal is screened for specific temperaments and behaviors to ensure each family finds the right pet for their lifestyle.

Our pet adoption fee is $60.00, which includes canine or feline booster vaccinations, heartworm tests, rabies vaccinations, deworming exams, spay or neuter and a microchip. Stop by the Animal Care and Control facility at 8001 Shin Oak Drive (between the Fire Station and the Public Works building) and we're certain you will find a place in your heart and in your home for a sweet dog or cat. We are open M-F from 9am-5pm and Saturday from 10pm 2pm, we are closed on Sunday. For more information, please call 210.653.9140, ext. 228. For additional ease in finding adoptable pets, please visit the City of Live Oak's Facebook page where we feature lost and adoptable pets each Friday.

Things to know about pet licenses

If you already own a cat or dog over three months of age and reside in Live Oak, please remember to obtain a pet license from us. For pets with proof of their annual rabies vaccination, the fee is $5.00 for non-sterilized dogs and cats. Licenses for spayed or neutered dogs and cats are only $2.00. If your pet is spayed/neutered and micro-chipped, the license is FREE! Licensing not only aids the Animal Care and Control staff with the pet population in Live Oak, but it allows for easy and quick reuniting of families with their lost pet. Contact our facility if you need further information regarding pet licensing at 210.653.9140, ext. 228.

Humane Society Of Live Oak

How you can help!

Mark your calendar for upcoming events. First, watch for us in the Memorial Day Parade on May 28. Next, Mr. Gatti's located on Pat Booker Road, Universal City; is sponsoring our first fundraiser on the evening of June 13th. You can help us help the animals by bringing your family to Mr. Gatti's for dinner. Mention The Humane Society and Mr. Gatti's will give us a percentage of your total bill. So please stop by on June 13th. More than 50 North Texas animal shelters partner to find homes for adoptable pets. July 23rd is "National Clear the Shelters Day" and our own Animal Control is sponsoring WAIVE THE FEE DAY on the same day. Likewise, we want to "clear the shelters" (www.cleartheshelters.com). The adoptions will be free!!!! Stay tuned! Yappy/Happy Hour is on the agenda and "Pet- Paw-Looza" will be coming up in October. We will also be participating with a booth at the "Shin Dig on Shin Oak" in September. Watch for more details!!!

Are you fond of furry babies? You can foster, walk the dogs, or just go by Animal Control and visit/play with the dogs inside a fenced area or with the kitties in their room. If you are a college student or unable to own at this time but love animals, this would be the perfect place to spend quality time playing with these furry babies. Stop in and ask about other ways to help. There is always a need for volunteers. We invite you to consider joining the Humane Society. We welcome new members with new ideas so we can grow and do even more for our animals. Our meetings are the second Monday of each month, 6:30pm at the Clubhouse in Live Oak. Come by, enjoy some refreshments, and see what we are about. For more information, call 210.656.9443 or follow us on FACEBOOK!

Bag & Tie
So Your Trash Won't Fly

Litter is a serious and costly environmental matter. Improperly contained household garbage is one of the main sources of litter in our community. Windblown litter also reduces the aesthetic appeals of our neighborhoods, parks and public places. We believe by bagging and containing your household garbage properly will prevent windblown litter from being an issue within the city. Our city ordinance dictates that household trash should be in an enclosed container OR sealed bags so as to prevent vermin and wind from spreading loose trash into yards, drainages and streets. Some things such as mother-nature are beyond our control, but taking precautions will prevent a messy community.

Below are excerpts from the Property Maintenance Ordinance 1483 approved on August 13, 2013:

Garbage Container shall mean any object that holds refuse and is leak proof, covered or sealed and includes tightly closed garbage bags, etc.

Outside Storage/Rubbish - The accumulation of discarded articles on private property which are defined as a "Nuisance" by the city ordinance is prohibited. An example of these items would be lumber, trash, rubbish, debris, abandoned, discarded or unused objects or equipment such as automobiles, tires, lawn mowers, furniture, stoves, refrigerators, freezers, appliances, cans or containers, etc. This ordinance is most commonly violated when residents store these types of items along the sides of their homes in plain view of the public. Violation of this ordinance is a major factor in the appearance of the city.

Please remember to **"Bag & Tie"…so your trash won't fly!** Help us keep Live Oak one of the best communities by eliminating unsightly litter in our neighborhoods. Should you have any questions or concerns about this article or any other Code Compliance issues, please call 653-9140, ext. 386.

CODE COMPLIANCE

Plumbing Permits & Inspections

On many occasions, I have citizens asking questions about the requirements on obtaining a plumbing permit and whether or not the plumbing inspections are required. The answer can be found in the following code: The 2015 International Plumbing Code it states the following:

Section 104
104.2 Applications and permits.
The code official shall receive applications, review construction documents and issue permits for the installation and alteration of plumbing systems, inspect the premises for which such permits have been issued, and enforce compliance with the provisions of this code.

104.3 Inspections
The code official shall make all the required inspections, or shall accept reports of inspection by approved agencies or individuals. Reports of such inspections shall be in writing and be certified by a responsible officer of such approved agency or by the responsible individual. The code official is authorized to engage such expert opinion as deemed necessary to report on unusual technical issues that arise, subject to the approval of the appointing authority.

The other question I get is: **Does a plumber need to do the work?**

Under Section 1301.051 and Section 365.2(1) of the Texas State Plumbing License Law of 1947, a person who is not a plumber can pull the permit for a property if it is NOT a place of business or rental property, but a homestead wherein I reside.

If you have any questions about permits or the inspection process, please feel free to call 653-9140 extension 244 or 250.

Stop The POP

Before the burst, avoid the worst. Put safety first!

Fireworks have a long history dating back to 7th century China. Eventually, the use of fireworks spread to other cultures and societies. The first celebration in America was Independence Day in 1777, six years before Americans knew whether the new nation would even survive the war. A lot of people like to celebrate U.S. independence with fireworks. But for the residents of the City of Live Oak, this sort of explosive patriotism is against the law.

FIREWORKS

Are they "legal" & "safe" to use?

The City of Live Oak has an Ordinance in effect that makes fireworks illegal to discharge or even have in your possession within the City limits. The City will continue to enforce compliance with state law and local city ordinance, in respects to fireworks and fire and safety regulations. If a minor is caught with fireworks, the parent or guardian will receive the fine even if they were unaware of the minor's possession and/or usage. Citizens should report all complaints, regarding the illegal use of fireworks, directly to the **LOPD** Tel-communicator (non-emergency line) at **210.653.0033**. If the citizen believes that there may be a fire and/or medical emergency related to the use of fireworks, he/she should dial **9-1-1** and request the **LOFD.** Fireworks are not only illegal in the City of Live Oak and certain parts of Bexar County, but they are also very dangerous. Fireworks and celebrations go together, especially during the holiday seasons and Fireworks can be very dangerous when used improperly. Improper use can cause serious burns and eye injuries.

- **230 people on average go to the emergency room every day with firework-related injuries in the month around the July 4th holiday.**
- **Of the fireworks-related injuries sustained, 74% were to males and 26% were to females.**
- **9 people died due to 8 fireworks-related incidents. In at least 2 incidents, the victims WERE NOT THE USERS.**

Follow these safety tips when using fireworks in areas where they are legal to use:

- **Make sure fireworks are legal in your area before buying or discharging them.**
- **Never allow young children to play with or ignite fireworks.**

Avoid buying fireworks that are packaged in brown paper. This is often a sign that the fireworks were made for professional displays and they could pose a danger to consumers.

PARK AND RECREATION MONTH JULY 2016

NATIONAL PARKS AND RECREATION MONTH IS COMING!!

July is National Parks and Recreation Month, and we want to do it up BIG this year! The theme for this year is #SUPERJULY, with a slogan of "When our powers combine, WE CHANGE LIVES." We know that our citizens have many **SUPER POWERS** of their own, and we are giving you the opportunity to show them off! Using original artwork, create a t-shirt design that compliments this Park and Recreation theme. (For more information, you may visit the National Recreation and Park Association website) Recognition will be given to the winning designer, and the t-shirt will be worn by Live Oak employees at various recreation events. The guidelines for entry are as follows:
One entry per person, turned in to City Hall. Please include artwork on one side of paper, with name, age and phone number on back. Incorporate the National Parks and Recreation theme, as well as Live Oak Parks and Recreation.
Submissions are due by June 13th

Be CREATIVE, have fun, and remember what Parks and Recreation in Live Oak is all about!

For information concerning any of the above special events, or municipal swimming pool please contact Courtney Weese at 653-9140 ext. 235 or cweese@liveoaktx.net.

On Thursday, March 17th, Mayor Mary Dennis, Council members, Economic Development Members, Planning and Zoning Commissioners, city staff, Tri County Chamber members and owners and staff of the Hilton gathered for a "Grand Opening and Ribbon Cutting" celebration on St. Patrick's Day at the new location at 8101 Pat Booker Road. The Irish themed event included Irish music and singing in their beautiful ballroom with Irish Dancers, food, refreshments and prizes to celebrate the official opening of the innovative and modern facility. We are proud to say that the hotel has met full capacity room bookings and event bookings since their doors opened in late February. Book a room or event now by visiting **www.hilton.com** or by calling **210.412.5923.**

Moe's Southwest Grill

On February 22, 2016, Mayor Mary Dennis, Council members, Economic Development members and city staff welcomed Milind Meshram, Vice President of Operations and Daniel DeLaCruz, Manager with a ribbon cutting ceremony and grand opening. Mr. Meshram expressed his excitement with the decision to build in Live Oak's new revitalized area of Pat Booker. Moe's Southwest Grill will hold a fundraiser once a month at the new Pat Booker location and donate the proceeds to one of the local Live Oak schools. This program will assist in many youth programs in our immediate area. Congratulations!

FloorMasters of Tx

In February, FloorMasters of Tx located at 12107 Toepperwein, Ste. 8 opened their doors to the public offering varieties of tile, hardwood, laminate, vinyl, and "green" flooring products and installations. Council, city staff and the owners and their family gathered for the commemorative ribbon cutting. We welcome FloorMasters of Tx to our city and look forward to their success and continued community support. Fix Live Oak UP DAY

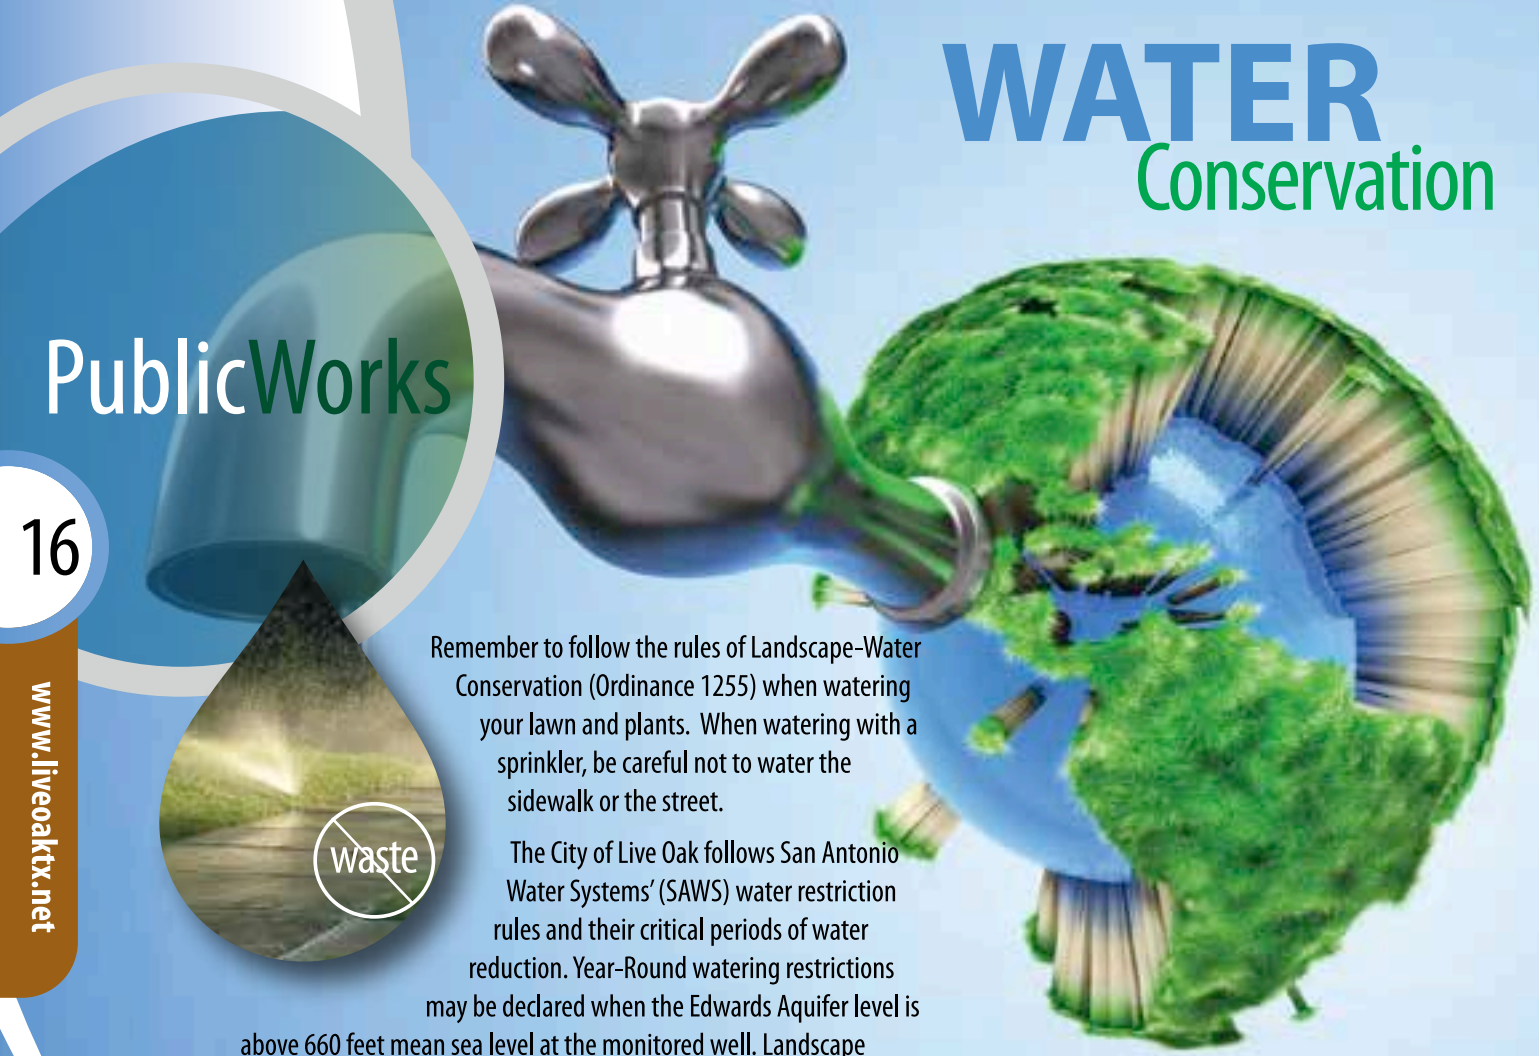
Zone 5 Wrap Up!

We would like to thank all of the volunteers who participated and helped the city crews with Live Oak Fix Up Day Zone 5. We had a record number of volunteers all sacrificing their Saturday morning in assisting residents with properties in need of a little care. Volunteers were split into groups and spent the morning discarding trash and debris, painting, trimming limbs and repairing fences so that the resident would no longer be in violation of our Ordinances. When the volunteers were finished, they were treated to a complimentary lunch provided by Dean Skinner and his staff from the Texas Roadhouse.

Thanks again to everyone who donated their time to improve this zone of the city and a special thank you to Robert and Lydia Platt for the Lowes' gift card, Andy and Jane Monroe for the 3 boxes of painting supplies and Albert Perez with Waste Management's generous contribution all of which will assist with the purchase of supplies for the event. We appreciate your efforts in helping Live Oak stay one of the most beautiful communities to call home and making this effort a huge success once again!

WATER Conservation



Remember to follow the rules of Landscape-Water Conservation (Ordinance 1255) when watering your lawn and plants. When watering with a sprinkler, be careful not to water the sidewalk or the street.

The City of Live Oak follows San Antonio Water Systems' (SAWS) water restriction rules and their critical periods of water reduction. Year-Round watering restrictions may be declared when the Edwards Aquifer level is above 660 feet mean sea level at the monitored well. Landscape watering with an irrigation system, sprinkler or soaker hose in Stage 1 is permitted only once a week before 11 a.m. or after 7 p.m. on your designated watering day. Watering with a hand-held hose, drip irrigation, bucket or watering can is permitted any time on any day. Water restrictions (on your designated watering day by the last digit of address) include watering times before 11 a.m. or after 7 p.m. in Stage 1 and 7-11 a.m. or 7-11 p.m. in Stages 2 and 3. Stage restrictions begin when the 10-day rolling average of the Edwards Aquifer level drops to mean sea level at the monitored well as follows: Stage 1, 660' (water once a week); Stage 2, 650' (water once a week) and Stage 3, 640' (water every other week). Visit our website to see the current restriction stage observed by Live Oak.

Last Digit of Address and Watering Day
–(No watering on weekends)

0 or 1 - Monday
2 or 3 – Tuesday
4 or 5 – Wednesday
6 or 7 – Thursday
8 or 9 – Friday

Conserve Water. Every Drop Counts.

Stormwater Pollution

Prevention Tip: avoid sweeping, blowing, or washing lawn cuttings and other debris onto the street or drainage channels.

Debris from the street travels to drainage channels and eventually to the lake.

Help us keep our lake clean! (City Ordinance 165)

Household Hazardous Waste DISPOSAL

Do you have old paint, pesticides, herbicides, batteries or fluorescent light bulbs; electronic waste such as computers, monitors and laptops, that need to be disposed of? Live Oak residents please call

The Live Oak Police Department is preparing for the *2nd annual Junior Police Academy.* This year's academy will be July 25 – 29, 2016. The academy runs daily from 8am-12:30 pm. There is no fee for the academy and class size is limited to 50 Junior Police Cadets with Live Oak residents having priority.

The Junior Academy is designed to provide a safe and fun learning environment for your children. The Junior Cadets will learn what it means to be a police officer and experience what officers do to keep the community safe. The Junior Cadets will interact with officers from different divisions learning what they do and experiencing firsthand how the different police functions are done. All activities will be well supervised and geared for fun in a safe setting.

Today's youth are the leaders of tomorrow. We in law enforcement would like to have the opportunity to provide a positive influence on our youth. We understand that time invested today will provide big dividends in the future. This program is an effort on our part to invest in the future of our youth in the City of Live Oak. Academy information can be found at www.liveoaktx.net/departments/police/about-us or by calling the Live Oak Police Department at 210-945-1700.

NATIONAL POLICE OFFICERS MEMORIAL WEEK

The week of May 15 through May 21, 2016 has been designated as National Police Week. National Police week was established by a joint resolution of Congress in 1962, paying special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. The Live Oak Police Department will be holding a ceremony on Tuesday, May 17, 2016 at 7:00 P.M. to honor our own as well as all fallen officers across the country. You are cordially invited to attend this ceremony which will be held in front of the Live Oak Justice Center located at 8022 Shin Oak Dr.

In partnership with the community, the mission of the Live Oak Police Department is to prevent crime, preserve the peace and enforce the laws with exemplary service. Our vision of the Live Oak Police Department is to set the highest professional standard and model of policing in the State of Texas.

Live Oak Citizens Assisting Police

LOCAP is a volunteer group that was formed in 2011 to assist the Live Oak Police Department. In order to be a LOCAP member one must first attend and graduate from the Live Oak Citizens Police Academy. Once this is completed there is an application process, which includes a background check. Volunteers assist with various duties such as, filing, assisting with Municipal Court, auto auctions, calling on municipal court warrants, answering phones and driving the LOCAP vehicle around the business districts.

Star LOCAP Members

You have probably seen Ralph or Carol Detwiler in their blue LOCAP shirts around the community. More often than not, they're together. Ralph and Carol met in 1965, when Carol and a friend (who turned out to be Ralph's cousin) were "hitching" a ride from Pennsylvania to the Washington, DC, area. Ralph graciously offered to drive the women back to their apartment. The two stayed in touch, and started dating a couple of months later, and yes, married soon thereafter. This July, they will celebrate 50 years of marriage! They have a son and a daughter, and 6 grandchildren.

At the time they married, Ralph was active duty Air Force, and Carol was a Civil Service employee at the State Department in Washington, DC. After retiring from the Air Force in 1980, Ralph and Carol settled in San Antonio. Ralph also did a short 21-year stint with the Harris Electronic Corporation in San Antonio. Carol, as many military wives do, found a job with Civil Service wherever the military sent them.

They have lived in the same house in Live Oak since 1976, and amazingly enough, still have two "original" neighbors living next door and behind them.
Both Carol and Ralph are very active in their church, in the community, and with their grandchildren. Carol is in the church quilting group, which makes quilts that go to a relief mission, as well as makes prayer shawls, and children's crafts and toys. Ralph serves as an usher and is on several committees. If that wasn't enough, they follow their grandkids to soccer, swimming, football, track, basketball, Cub Scouts and Boy Scouts events.

When they aren't out on the road in their motorhome they are home making wooden crafts. Ralph makes crosses, and beautiful wooden birds, birdhouses, and bird feeders which Carol hand-paints in gorgeous, vibrant colors, when she isn't knitting or crocheting eye-catching scarves. What do they do with all these crafts? Why sell them, of course! They take their crafts on the road with them, and also set up at a few local arts and crafts events. Look for their booth at the Shin Dig!

Even with all this, Ralph and Carol still find time to serve as volunteers in LOCAP. Ralph joined in 2011 and Carol joined in 2012. Ralph says he was encouraged by a then-current member who told him how much fun it was. Carol attended a few fundraisers with Ralph and decided she, too, wanted to join. She wanted to find out more about the Police Department, and thought it was a great idea to volunteer in the community by helping the Police Department. Both Ralph and Carol state that they really enjoy the monthly meeting training topics and programs presented, as well as helping out with the fundraisers held by LOCAP. They enjoy the interaction between the police officers and the members of the community, and say that the officers show they really care about their jobs and their community. Ralph is also a regular volunteer in Municipal Court each month.

You might also catch Carol and Ralph in the Citizens on Patrol vehicle in local parades, or driving around the community in their capacity to "observe and report." Ralph sums it up this way: "We both pretty much stay together in our activities – probably one of the reasons we're still together after 50 years."

CITIZENS POLICE ACADEMY

The program helps local residents better understand police work and strengthens the relationship between the community and police department. The classes are instructed by civilian and sworn members of the Live Oak Police Department. Some of the subjects covered in the classes are, city governance, police emergency communications, Texas crime information center, crime prevention, criminal investigation, patrol tactics, traffic stops, response to resistance or aggression, SWAT, drug enforcement, and firearms. The academy is approximately twelve weeks long and is held in the Alfredo F. Araiza Training Room located at the Live Oak Police Department. It is held on a week night and starts at 7 P.M. and ends at 9 P.M.

Farewell Gary

It is with a degree of sadness that the enclosed article on our telephone alerting system will be my last as the City's Emergency Manager as I will be retiring at the end of June. It has been my pleasure to work with numerous Mayors over the years that fill the position of emergency management director. In addition, I have enjoyed working with the entire city staff for almost 30 years and watching the City grow from a bedroom community to the bustling City we are today. It has changed a great deal from the time I first arrived in Live Oak as a member of the U.S. Air Force, stationed at Randolph AFB in 1977. I will continue to reside in the City and hope to stay involved in the community.

ALERT SYSTEM Connect CTY Telephone

In the event of an emergency, the Connect CTY Telephone Alerting System will be the primary means of notifying our citizens. The Live Oak Communications Center (dispatch) has direct access and can prepare and send a message within minutes. As such, we encourage all citizens to keep their telephone numbers up-to-date in the system. This includes your land line if you still have one, along with your cellular numbers for telephone calls and text messages. You may also include an e-mail address if you desire. In addition to emergency messages, the City may use the system to pass along important information like street closures or water outages. On occasion we may send out a call regarding City events in the park or remind citizens about our upcoming elections. As a reminder, there are NO individual costs for this service and the data base is secure.

While many citizens appreciate the City's efforts to keep them informed, others may not. As such, ALL citizens have the option and capability to remove their numbers from the data base. In order to update your telephone numbers or to remove those from the Connect CTY data base simply go to the City Web Site. Under "City Services" select the Connect CTY item and follow the instructions. A word of caution however! As noted earlier, this telephone system is our primary means of communicating with our citizens in an emergency. One last item! If you are planning to move out of our City and you will be keeping your same phone numbers you will continue to receive calls unless you delete your name and numbers. If you change numbers the system will drop your land line number in the data base. Any questions relating to this telephone system should be referred to the Office of Emergency Management at 653.9140, Ext. 379 or on-line at gwoppert@liveoaktx.net.

School Teacher Certification Now Offered in Live Oak

Have you always wanted to be a teacher? Are you looking for a new career in education? Over the next decade, there will be an increase in the demand for teachers due to Texas' high growth rates and high teacher retirement rates. It's never been a better time to move into teaching as local first year teaching salaries are at or above $50,000.

You can now begin your teaching career in Live Oak. **The Alamo Colleges' Educator Preparation Program** is now housed at the Alamo University Center, 8300 Pat Booker Road. The program offers small classes, effective teaching strategies, fast-paced curriculum designed to allow students to finish coursework in six months (depending on enrollment date), supported field experiences, high teacher success rates, and very competitive pricing. Students enjoy the hybrid approach to learning, with 67% of the class taught online and 33% taught in the classroom. Classroom time is used to allow students to practice their teaching skills prior to their classroom teaching, as a clinical teacher (12 weeks without pay) or as an intern teacher (1 year paid Internship), who is a paid employee of a school district while finishing certification. Instructors are current education professionals with advanced degrees.

Program costs are $4,500 and are paid incrementally. Need-based grants are available through the City of San Antonio.

Cost Breakdown:
$850 for Content
$850 for Pedagogy & Professional Responsibilities
$2800 for Internship or Clinical Teaching

Certification fields include:

Why Shop Live Oak?

By choosing to shop, dine and entertain locally, you and your community benefit in many ways:

Strengthen the Economy and LOWER TAXES – Is there any bigger reason? A half cent of all city sales taxes are applied to buy down our residents and businesses property taxes.

Build Community – City sales taxes funneled to the general fund allow additional police forces, improvements to streets and infrastructure and upkeep of our wonderful park system. In addition, shopping locally allows you to interact with the locals, enjoy the public space surrounding the community and help give a unique identity to the City.

They Support YOU – Many of our local Live Oak businesses support our community and service events that bring joy to so many. Shopping locally is your chance to say "thank you!"

The newly designed ***City of Live Oak*** **- Home Town News Magazine** now features a business directory that will include category listings to all active Live Oak businesses as well as feature display ads of various sizes for participating businesses. Each business will be listed by name in their respective categories and additional information may be listed or displayed for a fee.

We contacted a few Live Oak businesses to display their business in the inaugural issue of the business directory and will soon be contacting the rest of you for the July-August issue.

The City of Live Oak's **HomeTown News Magazine** is Mailed to **ALL Live Oak Residents** and is published 6 times per year! **Advertising is Exclusive to Live Oak Businesses ONLY.** Take a look at the various options that will be available to you for future issues. No need to wait for us, feel free to contact us to discuss a prime placement, pricing and to reserve your spot!
