Let's end the streak

Happy Labor Day! The Labor Day holiday is not only an extra day to relax and spend time with our families but, it's also a day set aside to recognize and pay tribute to the men and women of the American workforce. Since 1885, this day was created to honor the American workers for the prosperity and economic contributions they continue to make to our nation. Labor Day can also signify the end of summer and you may be planning a last minute road trip. If you plan to travel this holiday weekend, please be mindful of all traffic laws, and use extra caution while driving on unfamiliar roadways or in construction zones.

Recently, the San Antonio Mobility Coalition's Executive Director for Texas Department of Transportation (TXDOT) James Bass reminded us of the importance of driving safely on our state's highways. It was shocking to learn that every day for the past 18 years someone has lost a family member or friend on our highways. Mr. Bass highlighted the importance of TXDOT's campaign #EndTheStreakTX with the reminder to Texas drivers that it's a shared responsibility among roadway users to keep our highways safe. I'm asking each of you to join the efforts with TXDOT to help end the streak of deaths on our highways. Make sure that you buckle seatbelts, pay attention and avoid distractions, never drink and drive and obey traffic laws. With simple precautions, we can all help to make the journey a little safer for everyone this year and end the streak.

Lastly, we hope you join us at this year's Shin Dig on Shin Oak on September 28th at the city municipal complex in front of City Hall! We will have food vendors and a concert featuring the Spazmatics! Save the date for Movie in the Park on October 12th and Halloween Family Night on October 31st. Come join the fun! As your Mayor, I am always available for your comments or questions at 210-792-7168. Remember, the best is yet to come!

CITYWIDE GARAGE SALES
BARGAIN HUNTERS! MARK YOUR CALENDARS FOR SEPTEMBER 27, 28 and 29, 2019. Twice a year Live Oak has Citywide Garage Sales on Friday, Saturday and/or Sunday. The City of Live Oak does not have garage sale fees. Participating residents please email Cathi at cpiotrowski@liveoaktx.net by Noon on Wednesday, September 25th to have your garage sale information posted on www.liveoaktx.net and Live Oak's Facebook page. Information needed: Street address, dates, hours, and main items for sale (i.e. TV, Children's toys, dresser, etc.).

What you need to know about Winter Averaging!
Sewer charges for residential customers are based on a winter sewer average. The average water consumption used during the winter months of November-February each year determines your monthly sewer charge for the next twelve months. The new winter average goes into effect on the October 2020 utility bill. Should you have a water leak during this period, you may request a Leak Adjustment Form from the Utility Billing office at 210-653-9140 ext. 2110.

Restaurant Month

A huge thank you to our participating restaurants in this year's RESTAURANT MONTH! We hope you enjoyed the tasty and diverse selection of cuisine that Live Oak has to offer and we look forward to an even bigger participation next year.

Jordan Ford Giving Back

On June 26th Mike Trompeter, dealer principal for Jordan Ford, presented a check to the City of Live Oak and the city's Parks & Recreation Board. Jordan Ford generously provided the proceeds from the sale of their commemorative 100th anniversary Fiesta medals during the April celebration. The generous donation will go towards a new park project. We were honored to award Marc Cross, Mike Trompeter and the entire administrative staff the "Heritage Award" and key to the City at this year's 9th Annual Business Appreciation luncheon sponsored by the Economic Development Corporation in honor of their 100th Anniversary. Thank you for your continued support.

Sweaty Sunday's Fit-camp

Shout out to Shaun Morton and the entire Precise Nutrition Coaching Team for hosting a community workout, "Sweaty Sundays" at the Live Oak Main Park! This one-hour camp is for all fitness levels and free to attendees. Thank you for promoting healthy nutrition plans and keeping the community moving and feeling great! We look forward to your successes!! Keep following our Facebook page for Sweaty Sundays schedules.

Live Oak's New Assistant City Manager

Michael Hornes is the new assistant city manager for the City of Live Oak. Michael comes to Live Oak most recently from Palestine, Texas where he held numerous positions, most recently as the City Manager. Prior to his time in East Texas Michael held positions with the City of Lubbock, New York as well as time in the private sector. His passion for public service started years ago, when he almost joined the Peace Corps, but midway through his application, met his wife and moved to New York City instead. Michael enjoys the outdoors, live music and spending time with his wife and two sons. Since moving back to the region, Michael has spent most of his weekends, learning about Live Oak and then sprinting to the nearest river to cool down and relax.

Comprehensive Plan Community Open House

The Comprehensive Advisory Committee hosted an "Open House" to receive the community's input on their vision for the City's 2040 Comprehensive Plan on July 18th. We would like to thank the committee members and to the community for your valuable input and feedback during this important process. A huge thanks to the Hilton Garden Inn for the use of their facility and for the tasty refreshments and friendly staff.

Coffee with Cops

The friendly staff at Denny's served attendees with delicious breakfast items and countless cups of hot coffee on July 17th during the "Coffee with Cops" event. Concerned community members and Denny's patrons were able to discuss issues and learn more about what they could do as a community and what the police department could do to assist the community more effectively. It was a "WIN, WIN" for everyone over a hot cup of coffee. Thank you to Manager Miranda Edwards for all her hard work in making Live Oak's Denny's a place for families to come to sit, eat and connect with each other. Job well done!

Tip-A-Cop

Local law enforcement officers from Live Oak and the surrounding agencies volunteered at Texas Roadhouse to raise funds for the Special Olympics 2019 Campaign on July 25th. Officers waited tables by refilling drinks, and replenished silverware and dinner napkins to raise money for the special cause. Huge thanks to Texas Roadhouse for their participation each year in the annual event. With the help of Texas Roadhouse and generous patrons, officers were able to reach their set goal.

2019 Jr. Police Academy

The Jr. Police Academy week long course and graduation ceremony created priceless memories for 39 youngsters and 3 team leaders that they will carry with them for a lifetime. The annual academy is a way that LOPD brings young people and law enforcement together to create our future "citizens." We would like to thank this year's sponsors; the Hilton Garden Inn, Little Caesar's, Jimmy Johns, Pot Belly's, Williams Confectionery, Interstate Battery, and Dunkin'.

Move Over Slow Down

The “Move over Slow Down” law has been in effect in the state of Texas since September 1, 2003. The law requires that all motorists on approaching a stationary authorized emergency vehicle using visual signals (emergency lights), shall vacate the lane closest to the emergency vehicle when driving on a highway with two or more lanes traveling in the same direction of the emergency vehicle or slow to a speed not to exceed 20 MPH less than the posted speed limit when the posted speed limit is 25 MPH or more or slow to a speed of 5 MPH if the posted speed limit is less than 25 MPH. Emergency vehicles include police, fire, EMS, tow trucks, TXDOT vehicles.

Kendall County Deputy Carlos Ramirez lost his life on July 2, 2019 due to this very thing. A thoughtless driver ignored this law, hit the Deputy’s patrol vehicle and killed him. What could possibly be so important that a driver wouldn’t move over and slow down that would make someone risk the life of another or kill another. There is no answer. Move over and slow down!

Texas Reclassifies Public Safety Telecommunicators as First Responders

For many years Public Safety Telecommunicators known to most as 911 dispatchers, have been fighting to be recognized as first responders. Until recently Public Safety Telecommunicators have been classified as clerical workers, even though the State requires them to obtain licensing much like Police, Fire, and Medical personnel. As a result of this inaccurate classification they were not afforded the same benefits and protections under state law as other first responders.

Public Safety Telecommunicators provide critical and often life-saving services to the public and various agencies, which encounter stressful and traumatic events in the course of their duties. The work they perform goes far beyond merely relaying information between the public and first responders. The initial information obtained and actions taken by Public Safety Telecommunicators form the foundation for an effective response and can prevent the situation from getting worse.

During active shooter incidents, Public Safety Telecommunicators coach callers through first aid and give advice to prevent further harm, all while collecting vital information to provide situational awareness for responding officers. They are often communicating with people in great distress, harm, fear, or injury, while employing their experience and training to recognize a critical piece of information. When police officers, firefighters, and EMTs are being shot at, their calls for help go to Public Safety Telecommunicators. In fact, there have been incidents in which Public Safety Telecommunicators have prevented serious harm or death of law enforcement officers who would have otherwise walked into a trap.

Research has suggested that Public Safety Telecommunicators are exposed to trauma that may lead

to the development of posttraumatic stress disorder due to the around-the-clock nature of the job. Recognizing the risks associated with exposure to traumatic events, some agencies including Live Oak provide Critical Incident Stress Debriefing (CISD) teams to lessen the psychological impact and accelerate recovery for Public Safety Telecommunicators and first responders, alike.

Governor Gregg Abbott signed House Bill 1090 to take effect September 1st reclassifying Public Safety Telecommunicators as First Responders in Texas. Texas is one of the few states in the nation to recently make this change. On a national level, as of July 2019, an amendment has been passed in the House of Representatives which would reclassify Public Safety Telecommunicators as "first responders" in the Federal Government. It is called the 911 Saves Act H.R. 1629; classifying as Protective Service Occupations, as opposed to administrative clerical occupations in the Federal government's Occupation status.

While this is just the beginning of this bill being passed in congress, it is a step in the right direction. If you would like to support this effort contact your state representative and ask them to sponsor the bill.

10 FIRE SAFETY TIPS FOR KIDS

Please share these Fire Safety tips with the kids you know

KIDS: Do you know what to do if there is a fire? Here are 10 fire safety tips for kids that will help you prevent a fire in your home, and stay calm and safe in an emergency:

1. Don't play with matches. In fact, don't even pick them up. If you find matches or a lighter on the floor, be sure to tell an adult. This goes for lit candles, too.
2. Check your house for smoke detectors. There should be at least one on every floor of your home. And ask you parents when the batteries were last changed. Most fire departments recommend changing batteries twice a year — in the fall when you set clocks back and in the spring when you set them forward.
3. Check your house for fire hazards. Fireplaces and electrical cords should be checked regularly to make sure they are in good working order. If there is an adult in the home who smokes, make sure that he disposes of his ashes frequently in a heavy metal container.
4. Make a family fire safety plan. What should you do if you hear the smoke alarm in the middle of the night? Talk to your family about where you should go and what you should all do in the event of a fire. There should be two ways to escape from every room (in case one way is blocked by fire.) And you should pick a location outside — a neighbor's house, a big tree, a nearby park — where everyone can meet.
5. Practice your fire safety plan. Don't just talk about it —run through your plan to make sure everyone knows what to do. Check windows and screens to make sure that they will open if necessary. And practice meeting up at your assigned location outside.
6. If there is a fire in your home, remember this important fire safety tip: Don't hide, go outside! You may be scared, but never hide during a fire. Get outside and wait for your parents or caregivers at your assigned spot.

7. The best way to escape in the event of a fire is to fall and crawl. Get low to the ground where there is less smoke in the air and crawl your way to safety.
8. If your clothes are on fire, don't panic. Remember to stop, drop and roll. Keep rolling until the fire is out. Don't run — it will make the fire spread faster.
9. Never go back inside a burning building. You made a fire safety plan with your family, now stick to it! Once you get to the designated meeting spot, stay there and wait for your family to arrive.
10. Know your emergency phone numbers. Call 9-1-1 in the event of an emergency. You should also know the number for a nearby emergency contact (a relative, friend, or neighbor) who can respond quickly if your family needs help.

Free Smoke Detectors!

LOFD and the American Red Cross teamed up to offer **FREE SMOKE DETECTORS**, including installation, to Live Oak residents.

With the "No Home Should Be Alone" project, LOFD believes smoke detectors has been a key factor in the prevention of fire-related deaths throughout the years. If you have questions about the program or would like to participate in the program, contact the **LOFD at 210-653-9140, ext. 2198.**

The annual LOFD Box Fan Drive is underway!

Are You Hot? If you live in the City of Live Oak and you don't have proper air conditioning please contact Asst. Chief Steve Santana at 210-653-9140, ext. 2242 for your free box fan. Distribution is on a first come first serve basis.

Can you help? Those wishing to donate a box fan are encouraged to drop them off at the Live Oak Fire Department lobby, located at 8001 Shin Oak Dr., Monday – Friday, 8a-5 p.m. before December 31st. Please consider purchasing your donated fan at one of these wonderful Live Oak businesses Dollar General, Home Depot, Northern Tools or Target.

U.S. ARMY Celebrates 244th Birthday

June 14th marked a celebration for the U.S. Army's 244th birthday! This year marks 244 years of continuous service to our great nation by the U.S. Army. This year's theme was "America's Army: Honoring the Call to Service from D-Day to Today." Members of Live Oak's U.S. Army recruiting station along with SFC Harris and SFC Flores hosted the birthday celebration that included the traditional cake and refreshments for their guest. Special guest in attendance included the Veterans from Lowe's in Schertz, Tri-County Dignitaries Jason and Stacey Setzer, members of the Live Oak EDC, newly inducted 2019 recruits, city staff and Mayor Mary M. Dennis. Everyone left holding a ceremonial U.S. flag and adorned a "proud to be American" smile on their faces.

Heritage Community Appreciation BBQ

Community Manager Mya Alexander and her wonderful and talented team at The Heritage Apartments hosted their first annual Heritage Community Appreciation BBQ on June 27th. Mya has planned similar several events throughout the year and this event is one of many opportunities to welcome their residents and city officials. During the Appreciation event, everyone enjoyed hamburgers, hotdogs, sweet treats and giveaways throughout the evening! Mayor Pro-Tem Aaron Dahl, EDC Executive Assistant Donna Lowder, Fire Captain Loren Kuhlmann and Police Officer Jesus Reyes enjoyed talking with the old and new Heritage community residents while representing the City. We look forward to your future successes at The Heritage Mya!

Small Business Saturday

"Make a big statement by shopping small!"

Like Black Friday and Cyber Monday, the main focus of this day is on shopping local. Small Business Saturday will be celebrated this year on Saturday, November 30th. It's a day that we encourage people to patronize small, brick and mortar businesses with their holiday shopping. The businesses that want to draw attention to the importance of shopping at local businesses can do so by promoting it on their social media sites with the #smallbusinesssaturday or by offering a special discount on certain products or services. Keep watching to learn which small business was selected this year to represent "Small Business Saturday" at the first City Council meeting in November.

Congratulations to Savannah Alvarez for winning a \$100 gift card to Target!

Savannah answered 5 questions about the Hometown News and WON! Thank you to all who entered and don't forget to enter for your chance to win!!! See page 26 for details.

Live Oak's Economic Development Corporation has challenged all Live Oak businesses to share their creative talents and seasonal spirit by participating in the 3rd annual "Design a Scarecrow Contest" this October.

Your scarecrow should be designed to represent your business. Each design must include the business logo on the scarecrow and submitted to City Hall by the deadline of September 30th. Each scarecrow received will be on display in front of the municipal complex on Shin Oak Drive from October 1st through October 31st. All entries will be judged by the EDC Directors on October 4th. The overall winner will be announced Monday, October 7th and will receive an award along with the honor of bragging rights! All entries may be picked up by November 1st to continue the spirit and adorn the fronts of your businesses for the remainder of the fall holiday season.

Be the first to participate by completing the application provided on the following page or download the registration form from our website at www.liveoaktx.net. We hope you take advantage of this opportunity to promote your business and design a scarecrow.

THANK YOU FOR YOUR PARTICIPATION AND GOOD LUCK!

On July 10th, the Economic Development Corporation for the City of Live Oak hosted its 9th Annual Business Appreciation luncheon honoring all businesses throughout the city for their volunteer participation, anniversary milestones, and in-kind donations or sponsorships. Each year, three outstanding businesses are awarded the "pillar awards" for their outstanding service and notable contributions throughout the year.

2019 Corporate Partner of the Year

The recipient of the 2019 Corporate Partner of the Year was presented to the **Hilton Garden Inn** for their outstanding community relationships, constant availability and generosity to Live Oak Civic groups, city events, and representing Hilton while volunteering at countless city functions. Also, the Hilton was recognized for their service-oriented internship trainee program. The program gives students practical experience under the guidance of a departmental mentor for all hotel operations while gaining insight of the possible career opportunities that the hotel industry has to offer. We honor the Hilton for providing a learning environment for our youth and for creating opportunities for so many promising young people.

2019 Business Partner of the Year

This year's recipient of the 2019 Business Partner of the Year was deservingly awarded to Managing Partner Kristen Houser with **Raising Cane's Chicken Fingers**. Kristen and the "One Love Team" have been active and meaningful participants during City activities since they opened their doors for business in 2017. This past year, Raising Cane's made many notable contributions and volunteerism to the community during City events and continued to provide outstanding service through elementary school programs and the Live Oak Fire Prevention Program with professional integrity. Live Oak's "One Love" team are constantly demonstrating an attitude of concerned giving to the people of the surrounding communities but especially to the City of Live Oak.

2019 Community Partner of the Year

The 2019 Community Partner of the Year was awarded to **Houlihan's**. Mark Miller and the entire staff at Houlihan's were recognized for their vital role and commitment to our City. Houlihan's team members are always available to serve people from different walks of life to come together, share great food and build a strong community. We recognize the invaluable contributions and volunteerism that Houlihan's has bestowed on Live Oak over the years and we were honored to support and show our appreciation with the coveted title of Community Partner of the Year. Thank you Mark and keep up to great work you do for this community.

During the award ceremony, several businesses received notable anniversary awards including milestones of 20th, 30th, 50th and 100th year anniversaries. Mayor Mary M. Dennis, City Council, EDC Board of Directors and City staff would like to thank all of Live Oak's businesses and look forward to honoring them for their successes and for being the best that Live Oak has to offer!

DON'T BE STUMPED!

Bulky Trash Pick-Up

The semi-annual Bulky Trash Pick Up begins September 30, 2019. Please follow the guidelines below to have your large, unwanted “treasures” picked up:

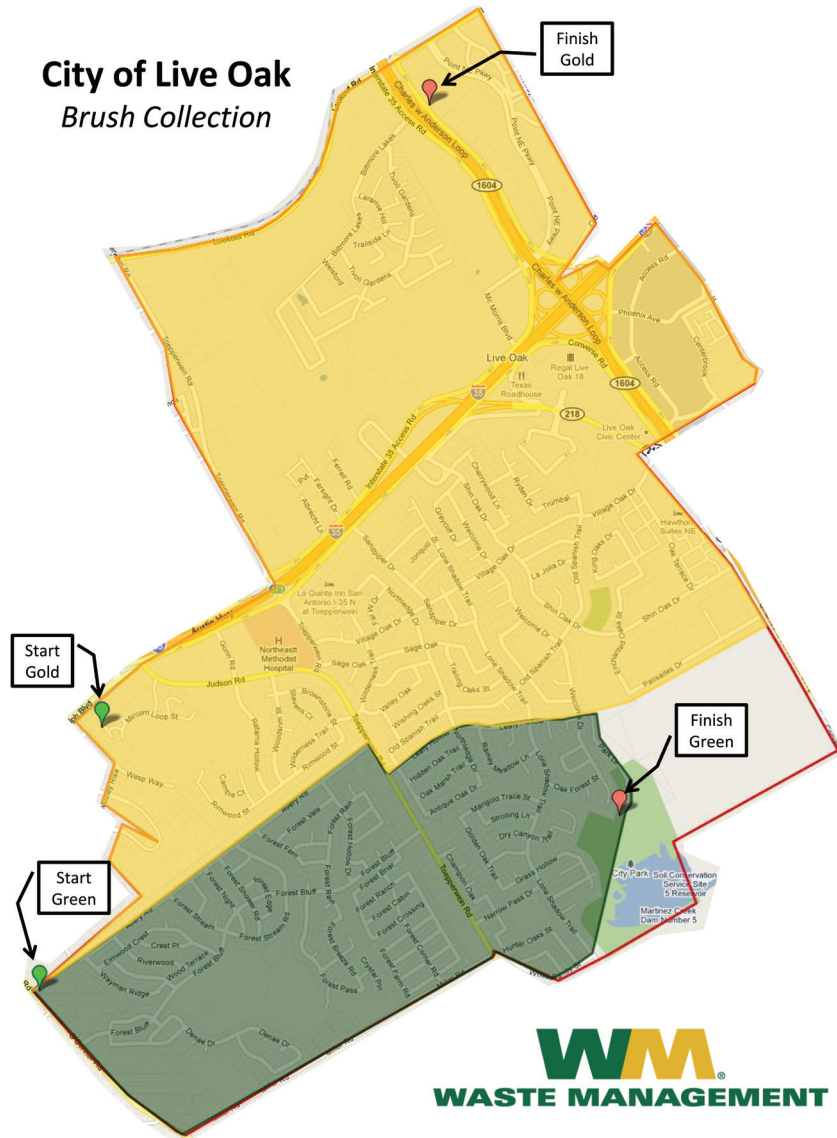

- Place bulky items along the curb by Sunday evening, September 29th
- Examples of acceptable bulky items include: chairs, sofas, tables, water heaters, and lawn furniture.
- The following items are unacceptable and will not be picked up: No brush, No televisions, No computers, No monitors, No refrigerators, No window units, No portable air conditioners or anything that contains Freon, No tires, and No batteries.
- Items cannot be placed at the curb before Tuesday, September 24th.
- Waste Management will only pass by once. Please remember not to cover the sidewalk or water meter with your items, and do NOT park along the curb near the bulky items.

Don't Be Stumped by Live Oak's Brush Service

Waste Management offers a monthly curbside brush collection service for residents that trim their own trees. If you plan to use this service, then please carefully follow the guidelines listed below.

- No Brush Service during the months of April and October due to Bulky Trash Pick Up.
- Know your zone: Live Oak is divided into two sections for brush collection gold and green (See Attached Map).
- Collection of the gold area will begin on the first Thursday of the month, and collection of the green area will begin on the third Thursday of the month.
- Brush must be out prior to the pickup day. Waste Management will only pass thru each street of the scheduled area one time.
- Do not place your brush out more than a few days before your collection day.

City of Live Oak
Brush Collection

Limit the size of your brush pile: The tree and shrub trimmings must be less than or equal to maximum of (12”) twelve inches in diameter and the pile shall not exceed a maximum of (12’) twelve feet in length, (5’) five feet in height, and (5’) five feet in width. Brush piles larger than the maximum size will not be picked up. See the illustration below:

- Place your brush pile on grass between the curb and sidewalk. Do not cover your water meter.
- Do not park any vehicles near the brush pile.
- The brush collection service is not available for trees trimmed by a tree service, contractor, or yard laborer.
- Seal all tree wounds within 30 minutes of pruning or cutting.

In addition to curbside brush collection Waste Management will collect brush that is cut and bundled on your second pick up day of the week. Bundles cannot exceed (4’) four feet in length and (35lbs) thirty five pounds in weight.

BRUSH AND STUFF

The city of Live Oak contracts with Waste Management to provide both BRUSH pick up and BULK pick up services. Brush pick up happens once a month and should not be confused with the twice a year bulk pick up. Think of brush as, well, just brush. Bulk is all the other stuff we need to get rid of. There are some rules to follow for both services:

BRUSH

Waste Management provides brush pickup for the residents of Live Oak once per month. The City is divided into two zones, Gold and Green:

GOLD ZONE - Collection of the Gold Zone begins the first Thursday of every month. Area begins at Judson Road and IH 35 and includes Retama Hollow, Brentwood Oaks, Bridlewood and Lookout Road. Also includes original Live Oak North of Leafy Hollow.

GREEN ZONE - Collection of the Green Zone begins the third Thursday of every month. Area includes all of Woodcrest and original Live Oak South of and including Leafy Hollow.

Waste Management will pass through each street only once, all brush must be placed curbside prior to the first day of scheduled pickup. The tree and shrub trimmings must be less than or equal to 12 inches (12”) in diameter and the pile may not exceed 12 feet (12”) in length, 5 feet (5’) in height and 5 feet (5’) in width. As a reminder, Waste Management is not responsible for the collection of work completed by contractors. Tree removal and extensive tree trimming is the responsibility of the homeowner.

BULK

Semi-Annual Bulk Pickup – Items you plan to put out for Bulk Pickup must not be put out until after the city wide garage sale weekend. Pick up is scheduled twice a year in the spring and in the fall. Watch for dates in the newsletter and on the marquees. Bulk pick up can NOT include T.V.’s, refrigerators, or tires.

Important Points to remember:

- Brush and Bulk pick up are separate services and the two piles must NOT be combined.
- Brush pile size is ALWAYS limited to 12’ X 5’ X 5’.
- Your pile should be at your address. Do not combine piles from several addresses.
- Bulk and brush must not block streets, sidewalk, meters, or cut off valves.
- Nothing will be picked up which is too close to a mailbox, fence, or vehicle or if a car is parked in front of the pile on the day the truck makes it to your house.

Waste Management also provides special pick-ups for Household Hazardous Waste and an E-Cycle service for things like T.V.’s and electronics which may contain hazardous components. Call 1.800.449.7587 to schedule your pick up of these items.

For additional questions, please call Waste Management Customer Service at 800-800-5804. Bushes and trees tend to regrow when you cut them and we all tend to accumulate too much stuff. These services are a great way manage your brush and stuff. Be a good neighbor and help keep Live Oak beautiful!
